Rusty & Dave

Rusty & Dave Quote of the Week:

"Well, I swear it was this high and at least that long. Off hand, it was easily a pound and a half."

B. Brogan

"Rusty & Dave Fun With Words" Winners:

Here are the lucky contest winners. This officially ends the contest so we are going to have to insist that no more entries be accepted. Holly Prest, of the Faculty of Dentistry, swept three of the five categories:

1) Most Words Submitted: 200 answers were sent, which included: dastard, daresay, nude, rave, standard, stud, Saturday, tavern, unready, veranda, and yeast. All the words include letters from "Rusty and Dave."

2) Word Best Exemplifying the Rusty & Dave Column: "vat-dyed."

3) Most Number of Words That We Didn't Understand: 184 words were unable to be comprehended without a dictionary including: ardent, datura, nard, redant, tyne, trave, transude, uvea, vaunty, varus, yeon, and yurt. Good going, Holly!

4) Perseverance Award For Least Number of Answers: Roy Richardson, second-year Commerce, only sent a letter stating, "I tried and tried but I just couldn't come up with any." Congratulations, Roy!

5) Governor's Award For Word Breaking the Most Rules: Jim Hoyt, first-year Arts, sent in the word *zit*, which broke 25 of the 32 official contest rules. For example it was less than four letters, it is slang, and his entry was written on the wall of the men's washroom in the Killam Library.

These winners will each receive free copies of the *Dalhousie Gazette* for the duration of the school year, and the first term of next year. Holly, Roy, and Jim will find their free issue waiting for them every Friday morning in the lobby of the S.U.B. Congratulations!

We would like to thank our panel of judges, Tony Randall, Oscar Peterson, Betty Kennedy, and Eddie Shack, and also all the people who entered our contest.

Man In the Wilderness

A man in the wilderness said to me,
"How many strawberries grow in the sea?"
I answered him as I thought good,
"You big jerk!"

Nursery Rhymes:

I Had a Little Nut Tree

I had a little nut tree,
Nothing would it bear
But a silver nutmeg
And a golden pear.
The King of Spain's daughter
Came to visit me,
All for the sake
Of my little nut tree.
So the King of Spain
Killed me and took it.

I Had a Little Doggy

I had a little Doggy that used
to sit and beg;
But Doggy tumbled down the stairs
and broke his little leg.
Oh! Doggy, I will nurse you,
and try to make you well,
And if I can't I'll shoot
you dead
And hope you go to hell.

Dear Rusty & Dave:

Can you settle a bet I have with a friend? I say your columns are the result of drug-induced hallucinations and she says no. Who is right?

Barb Ituate

Dear Miss Ituate:

Your friend wins the bet. We are certain that there is an aura surrounding us which may lead readers to believe that we are members of the drug culture. We assure everyone that this is not true. In fact, it is questions like yours which incur us to probe ourselves for answers pertaining to life and death and butterflies who carry briefcases full of blue religious pamphlets towards the nearest 7-Eleven. This world is one Dr. Pepper Big Gulp with us being sucked up the straw by hairy little pongo-pongo people who wish they were six inches taller. You Night Thank and Good.
