Dear Sir,

There is some surveying  
to be done on the Indian  
Reserve at Fisher's point  
the lot of land recently  
acquired needs delimitation  
I should like to have  
it done without delay  
Albert MacKen, Pictou will  
do the work for four  
dollars <sup>per acre</sup> ~~per section~~ <sup>per section</sup> He  
surveyed the Reserve before  
and is acquainted with  
the former lines and boundaries  
I write about this matter  
before.

Yours truly  
J.P. MacKen
