The Hon. Arthur Meighen,
Ottawa.

My dear Mr. Meighen:

I thank you for your kind letter re my nephew, going to farm in Canada, and shall be very pleased if you can make some arrangements and let me know. The boy is so afraid it may fall through, and has begged me to write you again.

Trusting you will not mind and that you are feeling rested after the strenuous session, and enjoyed your holiday.

With kindest regards.

I am,

sincerely yours,

H. Summerskill.
