Dr. Eugene Forsey,
33-34 Carlton Chambers,
74 Sparks St.,
Ottawa, Ontario.

Dear Eugene:

Have been debating with myself whether to send you the last phase (up to date) of the Archibald Nye-Meighen encounter. However, copies of his letter and of mine are going forward herewith. Of one thing I am certain: he isn't fit for his job as British High Commissioner in Canada.

Yours sincerely,

AM/E.
