347 Bay Street,
Toronto, July 11, 1932.

My dear Val:

I have your letter of 7th. Yes, Colonel Taylor certainly spoke to me about you and in very strong terms. The trouble with me is I am not able to be in Ottawa at all, being completely absorbed here. This due chiefly to the illness of Mr. Evans. However, I shall certainly take the matter up when down.

Yours very truly,

Arthur Meighen.
