March 1, 1919.

Sir,-

(Incls.) Owing to the death of Dr. John Kane, it is necessary under the regulations of the Civil Service Commission to obtain a successor by competition. I am accordingly enclosing herewith two posters supplied by the Commission, which you will be good enough to have displayed conspicuously in the Cacouna and R. du Loup post offices for a period of ten days, as stipulated in the poster. You will also be good enough to let the said postmasters have the enclosed blank forms of application, to be furnished by the postmasters to applicants therefor.

At the end of the ten day period referred to will you kindly return the posters and applications to me, with any remarks or recommendations you may care to make, and they will then be submitted to the Civil Service Commission.

Yours truly,

Deputy Superintendent General.
