

# Every Bride Looks for Neatness and Coziness in her New Home

*Don't Disappoint Her—Let Us Help You*

## BATHROOM FITTINGS

Nowhere in your entire home can you add more neatness than in the bathroom. Towel Racks, Cabinets, Mirrors, Shower, Tumbler Holder, Tooth Brush Rack and Sponge and Soap Baskets are all necessary. By securing these in nickel plated and enamel finish you can obtain a most pleasing effect. Our stock of these is the most complete in Western Canada and we are in a position to both care for your individual peculiar tastes and can also give you valuable suggestions.

## GRATES AND FIRE SETS

Modern homes are all being equipped with the comfortable-looking fireplace. Around this spot most of your indoor hours will be spent. The addition to this of a neat fire set will improve its appearance more than you would imagine. Some very pretty sets are stocked in dead black, and burnt antique brass. In addition to these you will be interested in looking over our stock of spark guards, fenders, irons and portable baskets. Buying from a stock such as ours you may be assured of securing the latest ideas and fixtures that are just a little different from the ordinary kind.

When you are ready to buy call and examine our stock.
