

"Let the earth bring forth grass and trees," God said. And it was so.

"Let there be lights in the sky," God said. And God made two great lights, the sun to shine by day and the moon by night. He made the stars, also.

Then God commanded fish to appear in the waters, and they did so, great whales among them. He placed cattle and birds and other living creatures on the earth.

And God blessed the world.

That is the story of how God made our earth with the good things in it for his children. You see

"He careth for you."

In return he wants his children to love and trust him and believe in him. God watches over and cares for every little bird that sings in the tree tops, he guards every flower that grows in your garden or out in the big fields. Then surely he will watch over the little boys and girls. He has promised, and God always keeps his promises.

TWO VERSES TO LEARN

"He careth for you."

—I Peter 5:7.

"Our Father which art in heaven, Hallowed be thy name."

—Matthew 6:9.
