cure to Stockholders a profitable return on their gradually accumulating capital, by its safe investment on real estate. Second—To afford to borrow ors facilities for obtaining legitimate loans on the security of their property, and to enable them to repay such loans by periodical instalments spread over a period of ten years. Third—To provide all the advantages of a thoroughly secured savings Bank system of business, and paying a higher rate of interest than is paid by those institutions.

Shares may be taken up at any time, and matured either by monthly investments or in one amount. Money is received on deposit, bearing interest at six per cent, per annum, compounded half yearly. Monthly investments bear interest at six per cent, per annum, compounded monthly at maturity. Paid up shares bear interest at seven per cent, per annum, compounded half yearly at maturity.

The attention of the industrious classes of tradesmen, and of professional gentlemen, is respectfully invited to these arrangementd. The wealthy classes will find in this Society a thoroughly safe and convenient mode of investing in shares, and one that will relieve them from our customers that from our late lavorable purchases we are enabled to offer
