THOUGHTS OF MANY HEARTS.

EVEN the Cross and tribulation add fresh glory to the Name of God; therefore we also should take such upon us with thorough willingness. Any enlightenment, that fails to lead to a new and holy life, is no enlightenment.

Stand we in whatsoever circumstances or situation we may, we are on no account to attach ourselves to them; we must place our dependence on nothing that can deprive us of, if we desire to obtain and keep that which God alone can give.

There is but one honour, and that is the honour which is in God's sight; there is but one fear which does not debase men, and that is the fear that says:—How can I do this great wickedness and sin against God?

The taking up of the faith is not by questioning, but by following.

Riches not only harm us in that they arm robbers against us, and that they cloud our understanding; but they moreover turn us away from God's service.

FEES AND DOCTORS.—The fees of doctors are an item that very many persons are interested in just at present. We believe the schedule for visits is \$3.00, which would tax a man confined to his bed for a year, and in need of daily visits, over \$1,000 a year for medical attendance alone!
