Rev. P. J. Ed. Page, Professor of Chemistry
Laval University, Quebec, says:—I have analysed
the India Pale Ale manufactured by John Labatt
London, Ontario, and have found it a light ale
containing but little alcohol, of a delicious
flavour, and of a very agreeable taste and su-
perior quality, and compares with the best im-
ported ales. I have also analysed the Porter
XXX Stout of the same Brewery which is of
an excellent quality; its flavour is very agree-
able; it is a tonic more energetic than the above
ale, for it is a little richer in alcohol, and can be
compared advantageously with any imported
article.
