### NOTICE.

Particular attention is directed to the formation and construction of the MAGUIRE TRAP. Sanitary experts, engineers, architects, plumbers and builders, after subjecting it to the severest tests, have declared it to be worthy of their unqualified approval. Leading physicians also declare that where it is used, typhoid fever, diphtheria, and other infectious diseases are much less prevalent. In the city of Toronto there is a very large and constantly increasing number of these traps being used, and in every instance they are giving perfect satisfaction.

## THE WILFORD HALL REVOLUTION.

### Health Without Medicine

A lost, or neglected, art is hereby restored and brought into universal prominence and demand whereby constipation, dyspepsia, fevers, piles, headache, incipient consumption, liver complaint, kidney and urinary difficulties, nervous and general debility—including the serious effects of secret sins; la grippe, &c., &c., are effectually removed by the re-vitalizing process of nature brought into active and unobstructed play through the peculiar agency of this unique system. The effect on nearly all manner of diseases is truly marvellous. Write or call for a Free Copy of The Microcosmic Monthly, an eclectic journal devoted to the Physical, Social and Ethical Life of Man—contains the history of the re-discovery of this system, results of the treatment, strongest possible endorsements from ministers, doctors, editors and others who have been cured when all other agencies failed, and, in many instances, when every hope itself had fled.
