**Speedy Settlement**

Prompt payment of claims without a moment's unnecessary delay, is one of the first rules of The Great-West Life Assurance Company.

Scores of letters from beneficiaries show how much this promptness often means to them. Here is one letter from Ontario:

"Thank you for the prompt and thoughtful way you remitted insurance. Of all the Companies in which my husband was insured, you were the first to remit, although so far away."

Investigate the Great-West Policies, and you will find that in all points they leave nothing to be desired.
