FOR OPERATION FOR ACUTE INDIGESTION—DID NOT GO AND WAS CURED BY DR. CHASES KIDNEY-LIVER PILLS

A medicine that will save one from a surgical operation must be worth while.

The doctors seem to have made the common mistake of dosing the stomach when the real source of trouble was with the liver and kidneys. Anyway Dr. Chase's Kidney and Liver Pills made a complete cure, and here is the record:

Mrs. F. O. Bacon, Baldwin's Mills, Que., writes: "I was very sick and the doctors said I must go to the hospital for a surgical operation. I had acute indigestion and the liver and kidneys did not act. I did not want to undergo an operation so I began the use of Dr. Chase's Kidney and Liver Pills and have used them ever since. "I am feeling well now and doing my own work for a family of seven. I think there is no equal for acute indigestion, and liver and kidney troubles such as I had and they and nothing else made me well again. There is no medicine I like half so well, for this did wonders for me."

The real serious cases of indigestion always have their location in the bowels and can only be reached by making the liver and kidneys active. No medicine regulates the liver, kidneys and bowels so nicely and so promptly as do Dr. Chase's Kidney and Liver Pills. One pill a dose, 25c. a box, all dealers; or Edmanson, Bates & Co., Toronto. If coals are used a pan half full of sand and dirt may be set on the floor of the house, a shovelful of live coals put in it, and half a pint of flowers of sulphur placed on the coals. If it is not convenient to use this method, a layer of lightly crumpled paper may be placed on the sand in the pan, some flowers of sulphur sprinkled on it, and then a layer of paper placed on, then more sulphur until four or five layers are made, with sulphur on top. STRAW-LINED HOUSE

The C. P. R. farm at Springfield have erected their initial poultry building. The house is sixty feet long, fifteen feet wide and seven feet high in front. The roof is peaked, but the run of rafters on one side is longer than the other so that the apex is nearer the south side. The building is set on blocks and the frame of two by four studding boarded on the outside with matched siding. The roof is sheathed with matched lumber, and covered with tar paper and shingles. To make the house warm in winter wire mesh will be tacked on the studding inside, and the space be-

may be lighted at the bottom, and if it burns well, will fill the house full of the fumes. The contents of one pan will fumigate a house ten to fifteen feet wide and twelve to fifteen feet long. For a long building several pans must be used at the same time.

All windows and doors should be kept closed while the sulphur is burning, so that the fumes will be confined and will permeate every part of the house. The house should be kept closed for an hour and then may be opened and aired. In another hour it will be fit for the fowls to use again.

tween the outside boards and the wire stuffed with straw. The wire netting can be removed in spring and the straw cleaned out. It is claimed for this arrangement that it makes a warm, dry house. The straw absorbs moisture when the atmosphere in the house becomes overlaid and the walls do not become covered with frost. A roosting room along the back is provided with a curtain to drop in front of the roosts on cold nights. The house is plentifully supplied with windows on the south side and is divided into three pens. It will accommodate about 150 birds.

HIS FACE AND NECK WERE COVERED WITH PIMPLES

Pimples are caused by bad blood. There is only one way to get rid of them, outward applications are no good, and that is to get at the seat of the trouble, by using a good reliable blood medicine.

Burdock Blood Bitters has been on the market for over 30 years, and is one of the most reliable blood cleansers procurable. It removes all the poisonous matter from the blood, and leaves a beautiful clear complexion.

Mr. Philip S. Cobb, Craipaud, P.E.I., writes: "About a year ago my neck and face were entirely covered with pimples, and having tried nearly every medicine I could think of, and getting no relief, I at last thought of Burdock Blood Bitters and decided to try a bottle.

"After the first bottle was done the pimples were almost gone, so I got another and after finishing it they entirely disappeared, and I now have a beautiful clear complexion free from all ailments of the skin. To all persons troubled with pimples or any other skin diseases I highly recommend Burdock Blood Bitters. I feel quite sure it will cure them."
