"IT IS IN THE AIR"

How often one hears that phrase applied to some condition of the public mind! A good many things get into the air, thus wasting the best parts of the originals.

You may take the finest Tea in the world, for instance, handle it loosely and carelessly, leaving it open to the light of day and the dust and much of its fragrance and rich flavor disappears, while impurities creep in. In

Wood's Package Teas

we have a "sealed book," an air-tight guard against all foreign substances, while the captivating flavors are retained—imprisoned for the consumer.

WOOD'S Packages are all TEA—the purest and the best.
