**One Half Bottle  
Earned Him \$50**

READ Mr. McLean's letter. See how one-half bottle of Kendall's Spavin Cure earned him \$50. The other half of the bottle may earn him even more. Many men make a business of buying lame horses and curing them up with Kendall's. Then they sell at a big profit.

How about your horses? Why not get a bottle of **Kendall's Spavin Cure** and be ready to cure cases of Curb, Spavin, Splint, Ringbone, Bony Growth or lameness from bruises or other causes? Thousands of other Farmers are doing it—have been doing it for over 35 years. It's the old, safe, remedy you can depend on. Get a bottle at once and we how much it will save you. At drug stores \$1 a bottle; 6 for \$5. Ask your druggist for book, "Treatise on the Horse," or write to **DR. R. J. KENDALL COMPANY**, Enosburg Falls, Vermont.

Gentlemen: Jan. 1, 11, I bought a mare that I got cheap on account of a joint. I tried your Spavin Cure and a half bottle removed it. That half bottle earned me \$50.00. Very truly yours,  
Lachy McLean.

**ROYAL FARM FENCING**

THE SARNIA FENCE COMPANY, who have the largest fence plant in Canada, market their entire product direct to the farmer. Our policy eliminates travelling salesmen's expenses; we keep no open accounts with anyone, we pay no commissions to agents, and our prices are not dominated by the fence combine. THE FARMER gets the benefit of this enormous saving in the price. There is no middleman provided for in our prices. When we first made our prices known to the farmer, he appeared to look on our plan with suspicion as he could not understand how we could sell a good fence at such a low price; he, basing his comparison on the prices which the fence combine had been compelling him to pay. The enormous growth of our business from the smallest to the largest plant in Canada in three years proves that we have not only the lowest price, but the best fence made in Canada today. Agents resent our direct from manufacturer to farmer policy, and attack the quality of Royal fence, endeavoring to induce you to purchase from him a fence on which he can make a commission. We have but one price to everyone no matter how large the order, an order for a 20-rod bale will receive the same careful prompt attention that larger orders receive. The following is our Guarantee:—

"If you find for any reason that the fence received by you is not of the best hard steel wire, full government gauge No. 9, the best galvanizing, the most perfectly woven fence you ever purchased at any price, you are at liberty to return it and we will pay charges both ways and refund every cent of your money."

Our stock is all bright and fresh, stored in enormous warehouses, and we ship all orders the same day they are received, no matter how large.
