**ETNA  
Live Stock Insurance Company.**

LICENSED BY THE DOMINION GOVERNMENT TO DO BUSINESS IN CANADA.

THE following Accidents, this month, show the importance of Insuring your Horses and Cattle against Death from any cause, or Theft, in the Etna Insurance Company.

MONTREAL, September 16, 1868.  
At a fire last night, in the sheds behind Ripin's Hotel, St. Joseph Street, three valuable Stock Horses were destroyed, "Young Clydesdale" and "Emigrant," belonging to the Huntington Agricultural Society—the former worth \$900, and the latter \$1,700; and "Old Beauharnois" cost \$1,000, belonging to the Beauharnois Society.

PORT COLBORNE, September 18, 1868.  
HORSES DROWNED.—Two horses belonging to Mr. Briggs, of Port Colborne, and four owned by Mr. Julian, of Port Dalhousie, were drowned in the Canal, near the Junction, early this morning.

A fire at the Glasgow Hotel, Montreal, this morning, destroyed two horses. The fire was caused by drunkenness on the part of the stable man.

MONTREAL, September 24, 1868.  
A fire in F. X. Cusson's stables, St. Joseph Street, last night, destroyed three horses.

ANNUAL INCOME, £220,000 STG.:  
Yearly increasing at the rate of £25,000 Sterling.

THE important and peculiar feature originally introduced by this Company, in applying the periodical Bonuses, so as to make Policies payable during life, without any higher rate of premiums being charged, has caused the success of the BRITON MEDICAL AND GENERAL to be almost unparalleled in the history of Life Assurance. Life Policies on the Profit Scale become payable during the lifetime of the Assured, thus rendering a Policy of Assurance a means of subsistence in old age, as well as a protection for a family, and a more valuable security to creditors in the event of early death; and effectually meeting the often urged objection, that persons do not themselves reap the benefit of their own prudence and forethought.

No extra charge made to members of Volunteer Corps for services within the British Provinces.

**The Etna Life Insurance Company.**

AN attack, abounding with errors, having been made upon the Etna Life Insurance Co. by the editor of the Montreal Daily News; and certain agents of British Companies being now engaged in handing around copies of the attack, thus seeking to damage the Company's standing,—I have pleasure in laying before the public the following certificate, bearing the signatures of the Presidents and Cashiers who happened to be in their Offices) of every Bank in Hartford; also that of the President and Secretary of the old Etna Fire Insurance Company:—

**Phoenix Mutual Life Insurance Co.,  
HARTFORD, CONN.**

Accumulated Fund, \$2,900,000, Income, \$1,000,000.  
THIS Company, established in 1851, is one of the most reliable Companies doing business in the country, and has been steadily prospering. The Massachusetts Insurance Reports show that in nearly all important matters it is superior to the general average of Companies. It offers to intending assurers the following reasons, amongst others, for preferring it to other companies:  
It is purely Mutual. It allows the Insured to travel and reside in any portion of the United States and Europe. It throws out almost all restriction on occupation from its Policies. It will, if desired, take a note for part of the Premium, thus combining all the advantages of a note and all cash company. Its Dividends are declared annually and applied in reduction of Premium. Its Dividends are in every case on Premiums paid. The Dividends of the PHOENIX have averaged fifty per cent. yearly. In the settlement of Policies, a Dividend will be allowed for each year the policy has been in force. The number of Dividends will always equal the outstanding Notes. It pays its losses promptly—during its existence never having contested a claim. It issues Policies for the benefit of Married Women beyond the reach of their husband's creditors. Creditors may also insure the lives of Debtors. Its Policies are all Non-forfeiting, as it always allows the assured to surrender his Policy, should he desire, the Company giving a paid-up Policy therefor. This important feature will commend itself to all. The inducements now offered by the PHOENIX are better and more liberal than those of any other Company. Its rate of Mortality is exceedingly low and under the average.  
Parties contemplating Life Insurance will find it to their interest to call and examine our system. Policies issued payable either in Gold or American currency.
