FREDERICTON, N. B., July 2-The police commission in session this morning appointed Geo. H. Winter chief of police, and Paul Phillips and Zébedee, Wright policemen. These gentlemen were afterwards sworn in by Maris-trate Marsh. The fourth policeman was not appointed and it was decided to advertise for a man. It would seem that under present conditions it is very difficult to get anyone to accept the job. A lively time is expected at the city council meeting next Tuesday.
