RELIEF

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. P. WELLS, of Villa Ridge Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had overpromised yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full size bottle."

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows of 120 street, New York, I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma had disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Dr. Taft Bros. Medicine Co.

Gentlemen: I was troubled with Asthma for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full-size bottle, and I am ever grateful. I have family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit.

What He Objected To.

At the farewell to Dr. Gunnison in Worcester, Mass., it is said that the Rev. Mr. Phalen, the Unitarian preacher, and the Rev. Mr. Wilcox, the well known Congregationalist, met. The three divines, as all ministers will do, got to bantering each other. The pastor of the Church of the Unity said he lived near enough to the Congregational church to hear the clock strike.

"Well," said Mr. Wilcox, "we give you good time, I hope."

"Oh, yes!" responded the Unitarian.

"It is not your time we object to; it's your eternity!"—Worcester Spy.

The medical profession recognizes today as it has never done before the remarkable aid of massage. It has done marvelous things for paralysis, even for apoplexy, at which doctors once looked on helplessly. Apoplexy is caused by a clot of blood on the brain, and if that clot can be broken up, if an emphyseum can be effected, if a blood vessel, recovery is in sight. Constant massage of the forehead and skull will do it (this has been proved over and over again), while paralyzed limbs, by patient, constant kneading, can have new life rubbed into them.

Some railroads advertise to carry passengers through without change, but they make a fellow pay just the same.

In Paris the public authorities supply gratuitously sulphurous baths to all workers who manipulate lead.

Cancer.

Sir James Sawyer, M. D., writes in The Lancet that he has studied cancer for a third of a century and has come to the conclusion that one of the predisposing factors is the excessive consumption of meat. He thinks "it is among the men of the masses in England and Wales that the progressive increase in cancer in the period under consideration is mainly to be found. Steam appears to have brought us cheap food, and cheap food has multiplied our cases of cancer by two."

Paine's Celery Compound

CURED MR. J. BEECHINOR, OF SHILOH, ONT., OF RHEUMATISM AND SCIATICA

It Matters Not How Serious Your Troubles are, the Paine Compound Will Permanently Cure You

Autumn months bring rapid weather changes disastrous to all who suffer from rheumatism. Pains and tortures increase seven-fold, and death reaps his harvest from the ranks of rheumatics at this season.

If you are a sufferer from any form of rheumatism, ease aside the medicines that you have too long experimented with and test the virtues of Paine's Celery Compound, that great specific for rheumatism that has won such marvellous cures in all parts of our Dominion. Mr. Beechinor permanently cured after five years of suffering, urges the afflicted to use the remedy that saved his life. He says:

For five years I suffered from sciatica and rheumatism, at times being so bad I could not walk or put my hand to my mouth. If I attempted to do any work I would be crippled for weeks. I took medical treatment, patent medicines, Turkish and mineral baths, but all failed to meet my case. I tried Paine's Celery Compound, and after using six bottles I feel like a new man, and can do a hard day's work and feel none the worse for it. I have also gained in weight, and can truly say I am permanently cured.

The Stimulus.

"Do you think that genius is moved to exert itself by inspiration?"

"Sometimes," answered the very serious young man, "but oftener by the expiration of the period for which rent has been paid."

The arpa, or drum, of the south Pacific islands is of wood, one end resembling a vase and the other evidently made in imitation of a shark's head. The head is covered with snake or fish skins.

It cannot be too often repeated that it is not helps, but obstacles, not facilities, but difficulties, that make men.—W. Matthews.
