GOOD QUALITY MEN AND BOYS' CLOTHING ALMOST GIVEN AWAY

Koenig & Company's Clothing Stock at Brockville Doomed

National Salvage Company Now Clearing Out the Stock Rapidly.

Never in Brockville, Ontario's history of merchandising were such immense crowds of people seen at any sale heretofore. Koenig & Company's clothing stock now in the hands of the National Salvage Company, which must be sold out inside of ten days limit. This stupendous sacrifice clothing sale of men and boys' suits, overcoats, hats, shirts, underwear, etc., has attracted the people of Brockville, Leeds County and surrounding country for forty and fifty miles in all directions. The store has been literally crowded and jammed with eager buyers since the opening day of this close out, quit business clothing sale, and the twenty-five extra sales-people have been worked from morning until night supplying the vast crowds of buyers that are thronging Koenig & Company's Clothing store daily. Such a great sacrifice sale of clothing, suits, overcoats, etc., for men, boys and children was never given in Brockville before, and its like will probably never occur here again. The National Salvage Company of Toronto say—that they have taken the knife and cut the prices square in two in order to close out the entire stock inside of ten days limit. Their reason for making such a tremendous sacrifice on Koenig & Company's stock is that they do not wish to move, pack, haul or ship a dollar's worth of clothing away, as it all must and positively will be sold in Brockville, Ontario, during this ten day sale. It certainly is a rare opportunity for the people of Brockville, Leeds County, and surrounding country to outfit in men and boys' clothing, suits, overcoats, etc., especially so when you have an opportunity to buy good quality clothing at forty to fifty cents on the dollar. Hundreds upon hundreds of people are now taking advantage of this great clothing sacrifice and quit business sale of Koenig & Company's entire stock—and well they may—as the prices are less than the actual cost of the woolsens. It is a time for clothing, suit, overcoat, hat and underwear buying, when one dollar will go as far as two would ordinarily. Tomorrow, Thursday, October 29th, Friday, October 30th, and this coming Saturday, the first big Saturday of the sale, Oct. 31st, these three days will be marked and remembered as the greatest three days selling of men's suits, men's overcoats, boys' clothing, etc., that was ever attempted in Brockville. Koenig & Company's entire stock of clothing, furnishings, etc., is now in the hands of the National Salvage Company, who have instructions to sell the entire stock at unheard of low prices, disregarding all former cost of the goods. Use good common sense, and if you have the ready cash, then consider and realize what this sale means to you, a saving of from seven to twelve dollars on the purchase price of a suit or overcoat. Act quickly—you cannot afford to miss this sale. If the saving of money means anything to you, then attend this sale immediately, without delay and you will benefit accordingly. The goods will fairly roll out of the store Thursday, Friday, and big Saturday, Oct. 31st. On Saturday the store will remain open until twelve o'clock midnight in order to accommodate the big crowd attending this sale. Be careful, and be sure you find the right place. Look for the big Muslin sign, Koenig & Company's Clothing stock now in the hands of the National Salvage Company, who are closing out the stock at Brockville, Ontario.

Read the following testimonial from a man you all know:

Mr. W. A. SINGLETON, Bedford, Ont., Aug. 26th, 1908. Dear Sir, I think it my duty to tell of the great good St. Regis Lumbago Cure has done me. I was troubled with Lumbago for about six years, sometimes could scarcely raise up from a chair. I tried several doctors and took nearly every kind of patent medicine and would be a little better while the medicine lasted, but when it was done I was not fit to work. About the first of June I was advised to try St. Regis Lumbago Cure, and am happy to say I had not taken half a bottle till the backache was all gone and I have not felt any return of the ailment since that time. I take great pleasure in recommending it to others who may be troubled with Lumbago or Kidney troubles, for I have found it to be all it is recommended for, and a trial will be better for anyone than a recommendation. Yours very sincerely, JAMES MCNEIL, Clerk of Bedford Township.

If your dealer does not keep this medicine, kindly ask him to order same for you as any sized order will be filled promptly. First order, freight prepaid.

OLD PEOPLE OF ATHENS NEED VINOL

It Strengthens and Vitalizes

With old age comes feebleness and loss of power; the organs act more slowly and less effectively; the blood is thin, sluggish and watery; digestion is weak and food is not assimilated as it used to be.

Vinol repairs worn tissues and checks the natural decline. It tones up the digestive organs, aids assimilation, makes rich, red blood, and strengthens every organ in the body. In this natural manner Vinol replaces weakness with strength.

Vinol is not a patent medicine but a delicious cod liver preparation which contains all the medicinal body build in elements of cod liver oil in a concentrated form, taken from fresh cod's livers, the useless oil eliminated and tonic iron added.

It is because we know so well of what Vinol is made that we offer to return money if it fails to benefit. J. P. Lamb & Son, Druggists, Athens, Ont.
