STILL THEY WONDER

Physicians and Scientists Were Never so Bewildered.

The Ottawa Miracle is still being Dis cussed at the Regular Meetings of the Doctors of the Capital City.

Ottawa, Ont., May 21.—(Special.)— To say that the miraculous case of George H. Kent, of 309 Gilmore St. had shaken Medical Circles to their very foundation, is putting it mildly. The facts of the case have been so thoroughly and satisfactorily estab-lished by Mr. Kent's sworn state-ments as to leave no room for mis-understanding or mistake in the mat-

In this extremity the physicians at last told his wife one evening that he could not live until morning. While watching by his bedside Mrs.
Kent chanced to pick up a paper containing an advertisement of a cure of Bright's Disease by Dodd's Kidney Pills. It was then midnight, and all the drug stores were closed, but the devoted wife determined, that even at this extremely late hour she

Accordingly she despatches a mes-senger, woke up the nearest druggist, procured a box of Dodd's Kidney Pills which she commenced to administer at once

which she commenced to administer at once.

Mr. Kent did not die that night, for from the first dose of Dodd's Kidney Pills be commenced to improve. All other treatments and medicines were discarded and the use of this remedy carefully continued.

Gradually yet surely this wonderful remedy arrested the progress of the dread Bright's Disease.

It took Dodd's Kidney Pills about six or seven weeks to restore Mr. Kent to good health. This is seven years ago, and he has never lost a day's work through illness since.

There is a good deal of speculation in lawn bowling circles, as to whether the president or the vice-president will win the game which comes off between them Monday.

The C. C. I. boys will tustle again this afternoon for supremacy with the bankers, who are very sore at having lost the last game and say they are going to turn the tables. A picked team of the Brooklyns and the Separate School defeated the Bris-

cos in a good game of baseballl on Te-cumseh park yesterday afternoon, by a score of 8-7, five innings. Things are working good for a day of sport on Monday. Russian Officials Who Oppres and Torture Political Prisoners Slated for Death.

London, May 21.-An article in th Lemberg newspaper is quoted by the Vienna corrrespondent of the Times. It states that the man who wounded Gen.
