hurt a few days ago in S. Hadley's
lumber mill, Wellington street, by
being hit with a piece of board flying
back over a saw, was able to resume
his duties yesterday.

Last week's issue of the "Orange Sentinel",
Toronto, copied the complete report of the
reception given by the Orange lodge, No.
1041, to the returned South African soldiers
which appeared in The Planet and duly
gave The Planet credit.

The minstrel troupe parade at noon
to-day was well worthy of the excel-
lence of H. Henry's reputation. The
company turned out some 50 strong,
with fine band and automobiles, as
side attraction and gave one of the
best parades ever seen in Chatham.

The death took place on Sunday of
Wm. P. Francis, of Erie street. Mr.
Francis was an aged colored resident
of this city, being 74 years of age, and
kept a small grocery for a number
of years on the corner of King and
Prince street. He died at his home
on Wednesday at 2 p. m., at
Maple Leaf Cemetery.

EXCITED CHARLIE.
Charlie Wah stood in front of his laundry
on King St. The Hi Henry automobile had
just whirled by. Charlie's eyes were almost
as wide as they were long and his breath
came in gasps. He seized a passer-by for
the coat and exclaimed, "Look! Look!
No pusher, no puller. Run like all hell!"

MEMORIAL SERVICE.
A meeting of the city ministers was
held last evening in City Clerk's of-
fice, Harrison Hall, to arrange the
program for the memorial service to be
held in the Grand Opera House on
Saturday next. It was decided to
have Rev. Dr. Battisby act as chair-
man. Rev. Mr. Ross to open with
prayer, followed by Rev. Mr. McCosh,
who will read a portion from the
Scriptures. Rev. Father Solanus, Rev.
Mr. Sims, and Rev. Dr. Hannon will
then deliver 10 minute addresses. A
meeting of the different choir leaders
in the city will be held this afternoon
to decide on the musical program.

LADIES' ASSISTING SOCIETY.
The Ladies' Assisting Society of the
Public General Hospital held their regu-
lar monthly meeting at the resi-
dence of Mrs. Alister McKay, Centre
street yesterday afternoon. Measures
were brought forward of interest to
the nurses and the working of the
Hospital generally, and, judging from
the Ottawa paper, the discussion of
the ladies have the work fully at
heart. After the regular business
was completed, arrangements were
made for the annual evening, which
will be held in Harrison Hall, on
Monday, 25th of February, of which
due notice will be given. Refresh-
ments were then served and the meet-
ing adjourned till February.

CLAIMED HE QUALIFIED.
This morning a rough looking citizen
wandered into the office of Lieut.
Col. Rankin. Posing himself fairly
in front of the officer he asked:
"Are you the existing officer for
Buden-Powell's South African police?"

The Lieut. Col. said he was not, but
that he was forwarding the names of
would-be recruits and their recommen-
dations.

"I want to recruit and I
want to go to South Africa at once,"
said the visitor. "My only recommen-
dation is that I am the toughest son
of a gun in Chatham and I can prove it."
Ask Chief Young.

The Lieut. Col. asked him if he could
shoot, swim and ride.

"Yes, I can do any damn thing and I
don't care who knows it."
The name of this desirable candidate
should be forwarded to Ottawa.

MILITARY MATTERS.
A meeting of the officers of the 24th
Battalion was held last evening with
a full attendance. The samples for
the suits were discussed and that of
a brownish gray was decided on, sub-
ject to the decision of the D. O. C.

Three guide books were ordered for
rifle exercise, infantry drill and Col.
Otter's Manual. It was found that
the prices for these books were 30 to
40 per cent. cheaper in the Old Coun-
try than in Canada.

It was decided to have the drill shed
marked off in 30-inch paces in order
that the recruits might get the right
length of step.

Col. Rankin was much pleased at
the progress made and so expressed
himself.

FRIENDS GET HARD LABOR.
Special to The Planet.
Paterson, N. J., Jan. 29.—Walter
C. McAlister, Wm. A. Death and An-
drew J. Campbell, who were found
guilty of murder in the second degree
for the killing of Jennie Benschneider on
Oct. 18, 1900, by the administration of
chloroform and subsequent assault.

McAlister, Campbell and Death were
each sentenced to 30 years' imprison-
ment at hard labor, and Kerr to 15
years at hard labor.

CAPT. FRASER'S
TEAM WON.

Maple City Hockey Club Add
Another Victory to Their
Record.

Wallaceburg Played a Plucky Game
—London Receives Heavy
Punishment From the On-
tario Association.

After a hard-earned game the Chatham
boys succeeded in trimming the 'Burgers at
hockey last night. The teams lined up as
follows:

Wallaceburg.
Goal—Reynolds.
Point—Nera.
Cover point—Leycock.
Forwards—Labatt, Trotter, Mitchell and
Bourassa.

Chatham.
Goal—Cook.
Point—Courtney.
Cover point—Fraser.
Forwards—Paterson, Elliot, Larmour and
Hicklin.

As soon as the puck left the centre Chat-
ham took the aggressive while the 'Burgers
remained on the defensive playing rather
cautiously and skrimishing on the wing.

A quarter of an hour elapsed before any-
thing serious took place when Paterson
slid the puck in but without a great deal
of opposition on the part of the opposing
team. Five minutes later Fraser scored
another which seemed to animate the
Wallaceburg boys with a desire to take
revenge.

In the second half of the game the 'Burgers
determined to carry out their intentions
without delay. Labatt by skilful manoeuv-
ring carried the puck in front of the Chatham
goal when Trotter in spite of the violent
opposition of Courtney scored. After the
break in the centre, Elliot took hold of the
matter and made a dash down the line
clear to the 'Burgers' point, who got in a
scrummum with him in which Elliot fell
with a gash in his forehead. This was soon
attended to and he still continued to play
with great vigor.

After a desperate
struggle Fraser scored and a few minutes
later Reynolds left the goal open by
skating out to shoot the puck which Lar-
mour reached before him and scored. The
referee a short time after declared the time
up and everybody agreed that both teams
put up a good game. Chatham had the
advantage in having nearly all heavy play-
ers while Wallaceburg had but two; the
greater part were under 150 pounds. In
spite of these defects Wallaceburg boys
played an excellent game all through.

They are not at all discouraged by their
defeat and hope to have another try at
Chatham at an early date. The official
score was 4-1 in favor of Chatham.

Toronto, Ont., Jan. 28.—The hand of
the Ontario hockey executive has fallen heavily
on the London club. The executive to-day
found that the charge made by Stratford
that London had played Frank Winn, of
Montreal, under the name of Campbell Lin-
dsey, at a recent match, was sustained, and
found also that to hide the original fraud,
the officers of the London club, or some of
them, had consented to the production of
false affidavits.

The attention of the crown authorities
will be directed to the perjury committed.
The following penalties were meted out:
W. A. Herne, Frank Winn and the other
members of the London team; Lang, As-
sistant, Peel, Johns and Little were declared
professionals; Frank Hobbs, captain of the
team and a member of the O. H. A. execu-
tive, was declared a professional and ex-
pelled. Upon Campbell Lindsey and W. A.
Lindsey, secretary of the London club, the
executive put the extreme penalty of dis-
qualification forever from playing or taking
or taking any part in the game of hockey.

The London club is reported that the ju-
niors will be re-admitted if they cut loose
from the present officers.

WILL LOSE A LIMB.
P. C. Dezella received word yester-
day that his brother Hector had been
removed to the hospital. Mr. Dezella
was down to Windsor Saturday to see
his brother, who is suffering from a
dislocated leg. The doctors say that the
only hope of life is to remove the leg
and Mr. Dezella was taken to the hos-
pital in Windsor yesterday to under-
go the operation.

CANADIANS GAIN HONOR.

In the recent final examination on
gynecology at St. Vincent's Hospi-
tal, conducted by Prof. S. C. Smith,
two Canadian nurses-in-training es-
tablished a record for the institution
by taking 100 per cent. in their stand-
ing. The successful young ladies were
Miss Lillian Grace Weldon, of this
city, and Miss Margaret Keble, of Sen-
forth.

SAYS THERE'S NO GRIEVANCE.
Speaking of the complaint that cars
were left standing on Couzens' spur,
submitted to the city council last
night, Gen. Agt. Tillson, of the Lake
Erie, states that two cars laden with
ashes were left in front of Mr. Couz-
ens' ashery for a short time and that
these were the only cars that have
been upon that spur for months.
