HARWICH MAN MISSING

Blenheim, Dec. 5.—Elston Burchiel, a well known young man in Harwich Township, has been missing for two weeks, and his relatives are quite alarmed. He left home one night to walk to Blenheim and go from there to attend a K. O. T. M. special meeting at Chatham, and has not since been heard of. There was no meeting such as he spoke of, and he was not seen here. He has left a wife and two small children at home in not the best of circumstances.

Weak Lungs

Cherry Pectoral breaks up this taking-cold habit. It strengthens, heals. Ask your doctor, the very next time you see him, what he thinks of Ayer's Cherry Pectoral for weak lungs.

It is the old story of a weak throat, a tendency to weak lungs in the family. You no sooner get rid of your old cold than a new one takes its place. Ayer's Cherry Pectoral breaks up this taking-cold habit. It strengthens, heals. Ask your doctor, the very next time you see him, what he thinks of Ayer's Cherry Pectoral for weak lungs.

Tuesday afternoon at a farewell party given in honor of Mrs. Wm. Dick. The ladies presented Mrs. Dick with a piece of cut glass as a token of friendship. Mr. Dick has for the past few years been manager of the Bank of Montreal, and both he and Mrs. Dick have made many friends here who will miss them in social circles.

Nature's Way Is Best.

The function strengthening and tissue building plan of treating chronic, lingering and obstinate cases of disease as pursued by Dr. Pierce, is following after Nature's plan of restoring health.

He uses natural remedies, that is, extracts from native medicinal roots, prepared by processes wrought out by the expenditure of much time and money without the use of alcohol, and by skillful combination is just the right proportions.

Used as ingredients of Dr. Pierce's Golden Medical Discovery, Black Cherry-bark, Queen's root, Golden Seal root, Bloodroot and Stone root, specially exert their influence in cases of lung, bronchial and throat troubles, and this "Discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic cough, catarrh and kindred ailments.

The above native roots also have the strongest positive endorsement from the leading medical writers of all the several schools of practice, for the cure not only of the diseases named above but also for indigestion, torpor of liver, or biliousness, obstinate constipation, kidney and bladder troubles and catarrh, no matter where located.

You don't have to take Dr. Pierce's say-so alone as to this; what he claims for his "Discovery" is backed up by the writings of the most eminent men in the medical profession. A request by postal card or letter, addressed to Dr. R. V. Pierce, Buffalo, N. Y., for a little book of extracts from eminent medical authorities endorsing the ingredients of his medicines, will bring a little book free that is worthy of your attention if you need a good, safe, reliable remedy of known composition for the cure of almost any old chronic, or lingering malady.

Dr. Pierce's Pleasant Pellets cure constipation. One little Pellet is a gentle laxative, and two a mild cathartic.

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Adviser. A splendid 1008-page volume, with engravings and colored plates. A copy, paper-covered, will be sent to anyone sending 31 cents in one-cent stamps, to pay the cost of mailing only, to Dr. R. V. Pierce, Buffalo, N. Y. Cloth-bound, 50 stamps.

NOTHING AGAINST HER.

The actress had been described as dizzy. That's nothing against her, explained the critic; the stage has been so awfully elevated, you know.

—Catarrh of the nose and throat should lead you to at least ask for a free trial box of Dr. Shoop's Catarrh Cure. Nothing so sure proves merit as a real, actual test—and Dr. Shoop, to prove this, earnestly desires that we let you make that test. This creamy, Snow White healing balm, soothes the throat and nostrils, and quickly purifies a foul or feverish breath. Call and investigate.

BRONCHITIS CAN BE CURED

Dr. Wood's Norway Pine Syrup Will Do It.

Bronchitis is generally the result of a cold caused by inclement weather or exposure to wet, and is a very dangerous inflammatory affection of the bronchial tubes.

The symptoms are tightness across the chest, sharp pains and difficulty in breathing, and a secretion of thick phlegm, at first white, but later of a greenish or yellowish color.

Neglected Bronchitis is one of the most general causes of consumption, so cure it at once by the use of

Dr. Wood's Norway Pine Syrup

Mrs. S. Fidler, Linton, N.B., writes: "I feel it my duty to let you know of my experience with Dr. Wood's Norway Pine Syrup. My little girl was very low with Bronchitis and our doctor did all in his power for her, but could only give her relief for a short time. My husband saw your medicine advertised, and immediately procured three bottles. I never saw anything give so much relief in so short a time. It stopped the annoying cough at night and she is now perfectly cured."

hardly express my gratitude for what Dr. Wood's Norway Pine Syrup has done for us."

Price 25 cents at all dealers.
