SPORTS.—Our young men seem to be taking more interest than usual in athletic sports this spring. We are pleased to see this and would like to see an athletic club formed. In this way the summer evenings could be pleasantly and profitably spent. Think of it!

A letter from Rev. Walter Bars received by his friends here states that he preached at New Westminster, B. C., a few Sundays ago, and that among his congregation was Jas. S. McDonald, Esq. This sets at rest the rumor which was published in the Halifax Herald a few weeks ago, that he had been murdered. We are pleased to learn of his safety.

Having recently imported a "Perfection Shear Sharpener," I am prepared to sharpen and put in first-class order shears and scissors of every description. Perfect satisfaction guaranteed. J. M. Shaw, Wolfville.

AN ACADIAN EXCURSION.—Mr. Tyler R. Waggatt, formerly of this city, has spent several days in Nova Scotia, planning a series of excursions from Boston to points east, each of which will occupy five days. The cost of these trips will not exceed fifteen dollars per person, including meals on the steamer. The excursion will include trips to Boothbay, Penobscot River, to Bear Harbor and Isle au Haut, to Campobello, to Grand Manan, one to Digby, Bear River and Annapolis, in the week of cherries, the greatest spot in the world for the delicious fruit to Grand Pre in the Basin of Minas, the scene of Longfellow's famous "Evangeline." This latter excursion will probably be the first and will be made early in June. Three days will be allowed for the excursion on each trip for enjoyment at the final destination. On the passage to and from Grand Pre, a landing will be made at Digby allowing a few to disembark for points in the Western counties, enabling the passenger to view that most magnificent sheet of water, the Annapolis Basin.—Bangor Commercial.

Western Book & News Co. beg to advise that they have closed their store in Wolfville. All persons against whom they have accounts will please pay them to Mr. A. M. Hoare, who can be found at J. F. Herbin's shop, next door to the Post Office, for a few days, after which all accounts remaining unpaid will be placed in a magistrate's hands for collection.

The Government Inspector and some workmen are making repairs on the Avon Bridge. It is the opinion of the chief engineer that the bridge has settled three inches since he was up three months ago. Posters are up warning people that they travel on it at their own risk and requiring that two teams shall not be on the same span at the same time. The notices also say that a new bridge will be built as soon as possible.—Hants Journal.

Bishop, and Queen Fashion holds her domain with all the attendant styles in shape and colors, in feathers and ribbons there. The closing up of the Western Book & News Co.'s establishment here, for the purpose of moving to Halifax, will cause us to lose one of our most popular and enterprising citizens; and one whom Wolfville can ill afford to part with. During the five years of his residence among us he has made many friends who regret very much his intention. We have always found him straightforward in business and always ready to take an active part in anything that tended to promote the welfare of our town. We wish him in his new position and locality the success he deserves and that the Western Book & News Co. may prosper even beyond their anticipations. Last week some twenty of Mr. Hoare's friends presented him with a fine gold chain club formed. In this way the summer evenings could be pleasantly and profitably spent. Think of it!

READ THE FOLLOWING TESTIMONIALS.

Weymouth, Sept. 14, 1885.

Dr. Norton: Dear Sir,—For twenty-five years I have been afflicted with Salt Rheum, and last Summer my head and part of my body was one fearful sore. My husband employed at different times three doctors, which failed to do me any good. In August 1884 I commenced taking your Dr. O. W. Norton's Burdock Blood Purifier, and after taking three bottles, an entirely cured, as I have not the least symptoms of it since. The Burdock Purifier has also cured Capt. Brooks of Dyspepsia and Liver Complaint.

Yours truly, Mrs. John Grant

ARTHUR BLACKBURN, of Newport writes: "For five years I have been afflicted with two Erysipelas Fever Sores on my legs. Have consulted all the doctors far and near. All medicine failed to do me any good until last fall I commenced to take Dr. O. W. Norton's Burdock Blood Purifier. After taking seven bottles my sores are entirely healed and I am as well as ever."

February 9th, 1886.

There is no medicine known to the medical fraternity that has cured so many of Liver, Kidney Blood and Nerve Diseases as the medicines that compose Norton's Burdock Blood Purifier.
