Rev. P. M. MacDonald preached in St. Paul's church, Truro, last Sunday, and in the afternoon addressed the Y. M. C. A. His addresses are highly spoken of by the Truro papers.

Farmers are considerably encouraged by the advance in price of potatoes. Speculators have been paying forty cents this week, and if there is a good demand at this price a large amount will be realized, as the crop was a heavy one this season.

The *Ordnardist* charges that Wolfville grocers are not up-to-date. Such is not the case. The grocery business in this town is carried on by progressive business men, and is not better done by any town in the province. The appearance of their places of business is a credit to the town.

The District Institute of the teachers of Kings and Hants counties will be held at Canning, Dec. 21st and 22nd. An interesting programme has been arranged. A public meeting will be addressed, Thursday evening, Dec. 21st, by President Trotter, G. U. Hay, Esq., St. John, and Supt. of Education. A large gathering is expected.

We clip the following from the Halifax *Chronicle* of Saturday last. The leader of the debate on the law side is Mr. Arvid L. Davidson, of this town.

"The subject of the debate between the Arts and Law faculties of Dalhousie college will be: 'Resolved that it is in the best interests of Canada that Chinese men be excluded from migrating into the country.' The debate takes place in the Munro room, Friday evening, December 1. The speakers for the Arts will be Messrs. Hollan, Kent and Stewart, while Messrs. Davidson, Hall and Madden will represent the Law. Mr. Davidson is counted as one of the most brilliant debaters that has ever attended Dalhousie."

Wallace Russ, of St. John, who for many years has been before the public as a successful carman, died at Charing Cross hospital, London, on the 26th ult., after a brief illness. He had been at the Earls Court exhibition and was just preparing to return home.

It has been reported from Ottawa that Hon. Dr. Borden, is to be knighted in recognition of his services in connection with the organizing of the Canadian contingent for services in South Africa. We wonder what the brave boys who make up the contingent will get for their greater service.

The war news this week has been of a more encouraging nature. Hard fighting has been going on and the British forces have been winning victories although with serious loss of life. At Belmont, Gras Pan and Modder River General Methuen has driven the Boers from their strong position and is marching on to the relief of Kimberley meeting and fighting on every hand an omnipresent almost invisible foe.

The representatives of the Singer Sewing Machine Co., who have occupied the Palmer store during the past few weeks, leave Wolfville to-day, having completed their business here. During their stay a number of the ladies of the town received instruction in fancy work on the machine from Miss Little, the lady who has charge of that branch of their work.

On completing the class on Wednesday evening they presented Miss Little with a handsome smithey ring in recognition of their appreciation of her efforts on their behalf.

Billtown.

The service in the church last Sunday evening was interestingly addressed by Mr. Lewis Rockwell, formerly a missionary to Africa, and Rev. Horace Kinman.

Mrs. Herman Forsyth, of Massachusetts, and two daughters, are visiting at Mr. T. H. Forsyth's.

Mr. and Mrs. Clifford Harris, of Canning, spent Sunday here at the home of Mrs. Harris' father, W. C. Bill, Esq.

An athletic club has been formed here by a number of the young men of this place.

The barn of Ecor Bligh was totally destroyed by fire on Friday night last.

Greatly Admired.

In a country Post Office, the other day, a farmer received with his mail a large cardboard tube, about two feet long. On examination he found it contained the two beautiful premium pictures, "Battle of Alma" and "Tenny's Willows." They were greatly admired by all present and the farmer made the remark: "I have been a reader of the *Family Herald* and *Paddy Star* for ten years; it is the best paper printed and well worth five dollars a year, but I get the paper and these two pictures ALL FOR ONE DOLLAR!" He induced four others right there to subscribe and they too will get the pictures.
