### HARTLAND BALL TEAM DOING GOOD WORK

Victorious Over Crack Fredericton Team and Wins From Island Falls

During the past week Hartland ball team distinguished itself by some mighty good playing. Elsewhere is the Fredericton team's report on the game with Y. M. C. A. of that city—a team that had previously lost but one game in 35. The score of 18 to 8 was a thing that helped spread Hartland's fame.

On Friday Hartland played the Impetuous and lost in a close fast game in which the score was 5 to 1.

On Saturday Hartland played McAdam in the first shut-out game of the season the score being 7 to 0 against them.

Tuesday evening Island Falls team came to Hartland and gave an exhibition of ampy ball that is seldom seen in small towns. There was no score until the last half of the fourth when Hartland recorded one run. There was no score in the fifth, and at this point the umpire should have called the game. The sixth was entered upon, however, and Island Falls scored 3 in the deepening dusk. Darkness made it impossible for the game to continue. According to rule 25 "If the umpire calls a game at any time after five innings have been completed, the score shall be that of last equal innings played." No exception to this rule. If the score at the end of the first half of the fifth inning, or any subsequent first half of an inning, is 1 to 0 in favor of the team second to bat, the latter wins. Technically Hartland won Tuesday's game 1 to 0.

The actual score:

Hartland 0 0 0 1 0 x-1

Island Falls 0 0 0 0 0 3-3

### A Distinguished Visitor From Ontario

Senator E. D. Smith of Winona, Ont. was in town this week. He is the well known producer of most of the small fruits imported here from Ontario, and is the proprietor of the famous "E.D." brand of preserved fruits. Mr. Smith's mother was a native of Somerville, a sister of the late Joseph McGee. She went to Ontario to visit relatives more than 60 years ago and never came back here to live. All her children, of which there were five, filled prominent places in business and professional life in Ontario. Mr. Smith was never here before and he is here now to look up the birth-place of his mother, which is just across the river and only a stone's throw from the birth-place of Sir George E. Foster. Mr. Smith has been a guest of his cousins, G. G. Gray, Mr. L. E. McFarland and William McGee.

### A Splendid Building

Next in attractiveness to the post office is the newly completed building of Hartland Clothing Co. Its gleaming white front makes a fine showing, and store, when lit up at night is still more pleasing.

The building is 25x60 feet, two stories, with basement, the full size. The whole of the ground floor is fitted up for the firm's big business and is not surpassed, if equalled, by any clothing store in the province. The work of building was superintended from start to finish by Percy Britton, and the building was made complete in 10 weeks with a crew averaging six men.

### Joseph McGee Farm Re-Sold

G. Burton Nixon of Somerville has sold the property known as the Joseph McGee farm to David Shaw at a price close up to \$8000. Included in the sale is a pair of heavy horses just imported from Ontario. This well known farm is directly opposite Hartland bridge, the western approach and road having been a part of it, and Mr. Shaw has an all down-hill haul clear from his back field to Hartland station. The farm is 40 rods wide and runs back from the river more than a mile and a half. At present prices of produce there is a fortune every year in a property like this.

### Warmest in Eight Years

It was just eight years and a month since the thermometer went as high as it did on Monday. The score was 92 in the shade with no reflected heat or sunlight. Street thermometers registered more. Sunday the glass showed even 90 degrees at the hottest. Many thought Sunday the hottest day, but it was not. People evidently feel the heat more on Sundays than on other days. On Tuesday afternoon a big wind, rain, and electrical storm came up and cooled the air for a time. Lightning struck and shattered a tree near Ald. Alton's residence. Apart from that no damage has been reported to The Observer.

### MOTORED HERE FROM MONTANA

Ben Boyce, an old Somerville boy, who went west and grew up with the city of Calgary, was here on Sunday with his son. He now lives in Montana and came all the way to New Brunswick by automobile. He has sisters living at Lake George and is visiting them, accompanied by his wife. He brought to Hartland his sister, Mrs. Miriam Hoyt, who visited her sister, Mrs. Edgar Carpenter.

IRON and STEEL BEDS, FABRICS, SPRINGS, MATTRESSES, (various makes), COUCHES, DAVENPORTS, STEEL CRIBS, also wood and steel Cots.

For Comfort and Durability we recommend an OSTERMOOR MATTRESS

Who was it wrote—

God give me sleep—the night is worn away;  
Soon from the East will come relentless day—  
Day, that will summon me to strive again  
With strong, resourceful, eager, selfish men.  
I, with spent nerves and brain long robbed of rest  
Must face the fight they enter on with rest.  
Fame, Fortune, all is staked! How shall I keep  
My foot hold? Help me, O thrice blessed Sleep!

What he needed was an OSTERMOOR!

### AUTO ACCIDENT NEARLY FATAL

Turned Upside Down on Swim Hill and Scott Hallett Was Caught Beneath

Yesterday Scott Hallett met with an automobile accident that might easily have cost him his life. He was on the Swim hill the other side of Coldstream and had with him his cousin, Elverson Hallett, and his little son, Donald, Kenneth and Barrie, and was returning from a blue-berrying trip to Cloverdale. In negotiating the hill the brakes proved defective and the car ran up the side of the bank and turned upside down in the road. Scott Hallett was pinned beneath the wreck and was very painfully hurt. It was feared at first that his injuries were fatal, but no bones were broken and today he was brought to his home at Upper Brighton. He was badly bruised and jammed by the weight of the car and while his condition is serious, his chance for early and complete recovery is good. Elverson Hallett was slightly injured and the children escaped with nothing more serious than a bad scare.

The car had the top, windshield and mud guard broken.

### "AUNT LETTY" CRAIG

We record the death of droopy of Mrs. Letitia Noble Craig, July 31, at the home of Mr. and Mrs. Fred W. Nevers of Upper Woodstock, aged 96 years and 9 days. Sister Craig was born at Lower Brighton, July 22, 1824. Her father was Joseph Noble and the maiden name of her mother was Mary Ackerson, both of Lower Brighton. In her early life she lived with her sister, Mrs. Levi H. Estabrooks of Rockland, where she afterwards married Deacon Jacob Craig of the P. C. Baptist church of that place, with whom she lived about 15 years. They had no family but adopted a little girl who is now Mrs. Frank L. Craig of Perth.

After the death of Deacon Craig she made her home with her niece, who at this time was Mrs. Gen. Ackerson. After the death of Mr. Ackerson, and her niece becoming the present Mrs. F. W. Nevers, Sister Craig still made her home with her for over four years, where she received every comfort and care that loving hands could supply, till her departure to her Heavenly home.

Mrs. Craig was converted in early life under the labors of Elder Grant an evangelist, and became afterwards a member of the P. C. Baptist church at Rockland. She was a sincere Christian and was always glad to converse on Salvation and to extol her precious Saviour. She bore her long and painful illness with resignation to the Divine will and looked forward with joy to her Heavenly home. She lived to a good old age, respected by all who knew her. The funeral services were conducted by the writer at the home of Bro. and Sister Nevers, on Sunday, August 1st, attended by a number of friends. Her body was taken to Rockland for burial the same day—W. B. Wiggins.
