They have now a contract with the Dominion Government for \$37,500 bonus on the 30 per cent basis, and the Government admits that it is considering an increased grant, bringing it up to \$45,000. They have a \$60,000 guarantee from New Brunswick, and when the late Provincial Government was turned out of office, it left on record a promise to increase it by \$30,000.

APPEAL TO THE PREMIER

Mr Williams appealed to Sir Wilfrid Laurier. He told the Premier that he had taken on the matter with the Ministers in 1906, had been summoned to Ottawa in January, 1907, had there met Sir Frederick and his son in law, who told him that Mr Fisher had already promised them a grant under the Act not yet passed, that Sir Frederick offered to take him in but not on fair terms. and that the Minister had boasted " that he would have influence etough to have my proposition side -

tracked." Willisms asked Se, Wilfrid to in

tervene, and said : " I cannot think that you are aware of the facts in connection with this transaction, or that you can approve of a Minister books of the Crown deriving aid from the Government for the furtherance o the interests of a company in which he is so largely interested.

Sir Wilfrid, who apparently had not seen the paperr, to. d 1 at the Maconn Comps. one which had sabmi ted applies in proper form, that the grant was made without regard to persons, and not until late in August, 1907. But it was in the previous Apr 1 that Mr Fisher wrote: "Sir Ereaerick Bor

den has made application on behalf of a company with which he is con. nected, and I have viewed his application very favorally;" and it was in January, 1907, that Williams was in Ottawa and met Sir Freit Bord n who, according to Withams' state. ment to the Premier, busst d that he already had a promise of a grant and would have influence enough to sidetrack Williams,"

HAPPY MACOUN.

Sir Fred Borden now denies any

P, to the Government fish drier. The examination of the witness

by Mr Crockett was made difficult by the constant intervention of Messre Maclean, of Lunenburg, and Macpherson, of Vancouver. For instance, when he was asked if the ledger which he had brought to O laws contained eptries of sale to McEschern of materials that went to the Souris fish drier, the e members of jected.

Finally, after much effort, Mr pleasing effect. Drockett elicited from Brennes that be ledger which he and Mr Hughes brought to Ottawa contained records of the accounts for the material in question. He also said that he saw the ledger on Thursday last, and after looking through it, gave it to Mr Hughes on Saturday in a room in the parliament buildings But he could not remember anything about the prices obarged to McEach-Witness admitted that it was be

who made out the account for \$270 or 90 tons of timber for the fish drier, which McEachern sent to the department of marine. But he would not say that he took the figures from Hughes and Company's

Mr. McLean again objected He said that if it were intended to show that Mr Hughes, M P, had sold goods directly or indirectly to the Government in violation of the independence of pa liament set. M Cro kett's examination, would be quite relevant, but an investigation

of that character should be had b -fore the committee on privileges Director of this exhibit. and elections and not before the Public Accounts Committee. All the latter could erquire into was

whether the prices charged for materials for the Government fish drier McLean & McKinnon were fair or excessive. Mr Crockett con ended that he
