Conservative Convention Postponed.

In Ottawa on the 12th inst, much was done by the Conservatives in council to clear up the political situation. In the morning an important and generally attended caucus of the Conservative members was held and in the afternoon there was a meeting of the committee of preliminary arrangements for the Conservative convention. At this, it was resolved to postpone the national convention, which probably will take place next year. The caucus had a direct bearing upon the widely circulated reports that there are dissensions within the Conservative party and in particular upon the allegations that there is disloyalty to Mr. R. L. Borden. Under the circumstances, Mr. Borden after meeting the members, repaired to the House, where an important bill was being moved by the Government, thus permitting the most unrestrained expression of opinion. The caucus broke up amid hearty cheering, and the chairman, Mr. G. H. Perley, issued the following official statement: "At a Conservative caucus this morning, a discussion took place regarding the extraordinary reports that have lately appeared in the newspapers concerning dissensions in the Conservative party and alleged criticism of the leadership of Mr. R. L. Borden. There seems to have been no real foundation for any such reports and the caucus unanimously passed a resolution expressing its explicit confidence in Mr. Borden as the leader of the Liberal Conservative party and its unanimous desire that he should continue to hold that position and pledged to him its allegiance and loyalty."

A fire causing serious damage occurred on the premises of Mr. John Sinnott, St. Peter's Harbor on Thursday night last. Between 9 and 9 o'clock, Mr. Sinnott accompanied by his grand son, a lad of six years went out to the barn to feed the stock. The little fellow accidentally overturned the lantern, and the flame caught in the straw. In a short time the building was on fire. The neighbors quickly gathered and assisted in saving almost all the machinery, all the horses, and four of the cattle. Seven cows, fourteen sheep, a large quantity of fodder, grain, hay, straw etc. were destroyed. The granary and warehouse being close to the barn could not be saved and the dwelling house was only saved with considerable difficulty. These buildings burned, were large and well equipped. The stock destroyed were valuable animals and the loss will be very heavy. Mr. Sinnott himself was severely, but not seriously, burned in attempting to extinguish the flames. His son Rev. Dr. Sinnott, on a brief visit from Ottawa, and his son in law, Mr. McDonald, were in Charlottetown at the time, in attendance on Mrs. McDonald, who is ill at the hospital. The Sinnott House is a favorite summer resort, and is frequented by many visitors from the United States in the hot season. We deeply sympathize with Mr. and Mrs. Sinnott in their loss.
