**Coronation Concert.**

**AT PRINCE OF WALES RINK.**

It is estimated that over 3000 people attended the concert held at the Prince's Rink last night, in honour of the Coronation. The rink was beautifully decorated for the occasion, the box occupied by His Excellency the Governor receiving special attention. Members of the city brigades acted as ushers. When His Excellency the Governor and Lady Williams arrived the National Anthem was sung by the choir accompanied by the united bands. At a signal from Conductor Hutton the whole assembly took up the refrain in the last verse and made a thunder of melody the like of which was never heard before in the city. His Excellency the Governor then addressed the gathering in an eloquent and patriotic speech. His Excellency referred to the fact that he was addressing old friends. He was glad to take part in such a grand demonstration of loyalty on the part of the people of Newfoundland towards the King and Queen. Newfoundland and the British colonies in point of time she was also the first in loyalty. The Governor then referred to the greatness and extent of which the British Empire particularly to India and Canada. He had no fear that United States would annex Canada, in fact, it looked now as if it would be a matter of time before the United States would become the true friend of Canada and the Empire. He then went on to speak of Australia and New Zealand and the glory that they added to the British Crown. South Africa too was becoming a great country. His Excellency made special reference to the honour conferred on Premier Morris received. It was an honour to the whole people of Newfoundland. At the conclusion of his excellent speech the Governor invited all to rise and join in three cheers for the King, which was complied with in a most enthusiastic manner. Chief Justice Horwood then asked the audience to give three cheers for His Excellency and Lady Williams, which request was heartily responded to. The following was then rendered in chorus of 180 voices and 74 instruments: "The Royal Coronation," by M. G. Band. "The Veteran's Song," by Mr. Hutton. Lord Lovel's March by Ntd. High-lights. "Land of Hope and Glory," Mrs. Geo. Ayre. Band Selection "Celebrated National Melodies," by C. L. B. Band. "King George," solo by Miss d'Albert. "The King," chorus by the full choir. "Hallelujah Chorus," by C. C. C. Band. Final Chorus, "Rule Britannia," by choir and three bands, with the whole audience joining in the final refrain.

**'Cascarets' Are Best for Laxative Women**

A ten cent box keeps you feeling good for months—No Headache, Indigestion, Foul Taste or Bad Breath. All women need Cascarets. Simply because they don't exercise enough. They don't eat coarse food, or enough fruit and green vegetables. Those are nature's ways of keeping the bowels active. But very few women employ them. The next best way is Cascarets. Nearly all the minor ills of women can be avoided by the use of Cascarets. There is no need to have headache, lame backs, depression, bad breath, bad complexion. The remedy is Cascarets. Not in large doses, unless you wait too long. The best way is one Cascaret at a time—just when you need it. One every day, perhaps.

It is simply a matter of keeping clean inside, as you do on the outside. You don't use soap in large quantities, and rarely use it. You use Cascarets, regularly, just as you need it. Do the same with Cascarets. Then you are always well, always at your best. Keep a 10 cent box handy always.

**Patriotic Entertainment by the Nickel Troupe.**

It was a very satisfying and competent all-round production which the Nickel troupe gave last night of the military musical play, "Soldiers of the King." The troupe consisted of 100 country people—judge from much audible comment—should give expression to such hearty appreciation of their performance in itself a fair index to the quality of the players work. Mr. Geo. Irving was a tower of strength. Lieut. Durand, and he and Leslie Stuart's ballad with delightful emphasis. Mr. Leo Murphy filled the role of the cheerful British Officer to perfection, while a squad from the C. C. worked conscientiously and with excellent effect. Those latter were Messrs. Burton, Wadden, Butler, Gladney, Morrissey and McGrath.

**Casino Attraction.**

The splendid production of the musical ensemble "Paddy's Dream of the Coronation," staged at the Casino Theatre last night, is a spectacular offering of which the skilled producers, Mr. and Mrs. Rossiey, might well feel proud. It was unquestionably one of the best acts of its kind. The various nationalities made their representatives and a charming stage picture was formed at the finale when, in their picturesque garb, they posed for an artistic tableau. Seldom has such a pretty tableau musicale been presented, and no one should fail to see its last performance to-night.

In all its Forms can be Cured.

It is quite a daily occurrence to hear persons say: Oh, what a thing of distress I have after meals, fullness of the stomach, heaviness and headache, I feel too tired to do anything. I have no heart to exert myself and at times I care for nothing. I often have a pain in the pit of my stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden.

Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a Bottle of Dr. Stafford's Prescription A. A sure cure for persons afflicted with stomach troubles. It can be obtained at
