## Your House is Thirsty

for paint. It's famishing for a good swig of Linseed Oil and pigments.

It's been through a strenuous winter, after your failure to give it any attention last year, and now with cracks and pores gaping and gasping, it faces the summer sun within a few short weeks. Try our house tonic.

It's cheaper to paint than not to paint, and the sooner the cheaper.

Use Good Paint, that's Matchless.
