The Paint That Pleases.

The Paint that pleases your trade and brings
in "repeat" orders is the Paint that gives the
most enduring service, for the Paint that wears
is the only Paint it pays to use.

This fact makes the path of the dealer who

THE CARE OF THE WARDROBE!

Since, according to Shakes-
peare, the apparel proclaims
the man, the care of the Cloth-
ing should engage the attention
of every man, and still more of
every woman. Strangers can
only judge by appearances so
that any person whose clothes
are shabby, soiled or unclean
for, will certainly suffer in the
estimation of the world. On the
other hand, a "well-groomed"
smartly dressed man or woman
commands respect at once.
If your garments are to look
their best and retain their
smart appearance, you must
employ the services of a Dry
Cleaning establishment.
