#### and will resume his former position the firm of George Neal, Ltd. McMurdo's Store News.

FRIDAY, Nov. 22nd, 1913. For recent coughs and colds Creo Cough Cure is one of the best remedies we know. Creo is a tonic expectrant, and relieves the cough by freeing the bronchial tubes. Unlike some cough remedies it does not mask the appetite or affect the digestive organs, while it is perfectly easy to take. It may be given to children as well as adults. Price 35c. a bottle.

McMurdo's Worm Syrup makes one of the most easily used as well as one of the most effective of Worm remedies, and children of all ages will take it without any trouble. If you have a child that will not take ordinary worm remedies try a bottle of this syrup. Price 30c. a bottle.
