IT IS BAD BUSINESS

to allow Schooners and Cargoes on the ocean during the Summer season without adequate insurance protection; but at this period of the year such a course is equal to suicide. Consider what one loss may mean to you. Your business may be crippled for years. In any case your working capital would be greatly reduced. Consider then the small amount of premium asked for insurance against such a contingency. COVER UP YOUR INTERESTS TO-DAY AND AVOID AN UNPLEASANT EXPERIENCE.
