

Breakfast—Epps's Cocoa—Grateful and Comforting.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which will save us many heavy doctors' bills.

Johnson's Anodyne Linctum will give more relief in cases of Chronic Rheumatism, no matter how severe, than any other article known to medical men.

After twenty-five years' medical experience, we have never met with a remedy worthy of dependence in any disease of the lungs, until the discovery of Fellers' Compound Syrup of Hypophosphites. This article really is reliable, and successful in a majority of cases.

It is often remarked by strangers visiting our Province, that we show a larger proportion of good horses than any other Province in the Dominion. This, we tell them, is owing to two principal reasons: in the first place, we breed from the very best stock; and in the second place, our people use *Shepherd's Curative Condition Powder*, which, in our judgment, are of incalculable advantage.
