LONDON, ONTARIO, FRIDAY, AUGUST 14, 1903.

MARTINQUE SUFFERS CUT HIS THROAT

Determined Effort of Woodstock Man to Commit Sulcide.

Woodstock, Aug. 14.-Daniel Taylor, a molder employed in the Stewart Stove Works here, made a determined effort to take his life yesterday afternoon. Locking himself up in his room. he cut his throat and also gashed his leg in the hope of wounding another artery. He then bled three hours before being discovered. He is now in

Premier Balfour Makes Statement as to Balkan Matters and the

AND LAUDS IRISH LAND BILL

London, Aug. 14. - Both Houses of Parliament assembled early today to wind up the business of the session. In the House of Commons Premier Balfour, in a general reply to questions on matters of international interest, said there had been an unexpected delay in Is Thought to Have Dropped Dead at the Venezuelan question, due to the fact that France and Spain objected to the use of the English language by the tribunal. The question had been Ostende, Belgium, Aug. 14.-A man left to the tribunal to decide. He beknown as Solly, who has been stop- lieved that the court, whose members lief of Pekin by the allied troops. It was ping at the Hotel Spendide, was seized the Czar had been requested to nom-

> ment was still of the opinion that the best policy was to support the Austro-Russian endeavors to improve the administration.

Dealing with the protests against muzzling the House on the fiscal controversy, the Premier said he thought there was no necessity for undue hurry in discussing the matter. There was pending fiscal question before Partry, as that of a demagogue, the sit-

ting was suspended. Subsequently the House was summoned to the House of Lords to hear the King's speech, proroguing Parlia-

The King's speech was of little general or international interest. It referred to the cordiality of his majesty's reception in Portugal, Italy and France, and to the return visit of President Loubet, "whose visit has given rise to a striking exhibition of the feelings of mutual goodwill which prevail in the two countries.'

Dealing with his majesty's visit to "The warm expressions of goodwill treasury is not to exceed \$1.975,000 in a ing. The preamble of the bill is still classes in Ireland, presaging, as I hope, a new era of united effort for the gen-The eral welfare."
