

Are you open to conviction? We know we can clothe you better than most custom tailors. We know that there are only three or four tailors in Canada that can clothe you as well. Then we save you money—the money you are paying your tailor for running over your figure with a tape-line. Let us prove it to you.

We want you to try one of our Blunoz Serge suits this Spring. If you are not living near one of our wardrobes, we will send it direct to you by express. The price is \$18.00. You will find it the best clothing investment you ever made. Let us tell you why.

By our system of physique types we can guarantee you perfection of fit. The few measurements which we wish you to supply place you in a certain class of a certain Semi-ready type.

The suit that is made for that type will fit you perfectly. Each seam will fall in its proper place—the collar will fit snugly to the neck—the coat will have just the proper hang.

Semi-ready tailoring is the best in the world—specialization has made it so. You see, where the best custom tailors give one man an

entire garment to make, we give it to 35 or 40 specialists. Each one of these men has been picked out because he is an expert in some particular point of construction of a suit. Thus we have experts working on collars, sleeves, stitch-moulding shoulders, interior construction, sleeve holes, etc., and these experts do nothing else but their particular speciality. No wonder Semi-Ready tailoring is so perfect.

Blunoz Canadian Serge—of which these suits are made—is manufactured exclusively for us by the only mill in Canada that can turn out such a high quality fabric. We have control of the output, so you can't get this serge in any but Semi-ready tailoring.

Blunoz Serge has a black finish, and comes in black and blue, absolutely fast color. We guarantee it.

First of all, if you haven't received one of our beautifully illustrated style books, send for it to-day. It contains illustrations, taken from life, of our spring styles of suits and overcoats—it shows them exactly as they are. This book also contains a self-measurement blank which gives all the particulars of measurements we require to give you perfection of fit.

The book is free, write for it to-day. A post card will do.

#### MILL BETWEEN COLORED MEN MAY PROVE FATAL

Philadelphia, March 24.—John Hill, a negro pugilist, is in a dying condition at St. Agnes Hospital here as the result of a six-round bout last night with "Kid" Dorsey, also colored, at the Broadway Athletic Club. In the sixth round of the bout, which had been hotly contested, Hill was knocked unconscious. When the usual remedies failed to revive him he was hurried to the hospital. After fourteen hours' treatment he is still unconscious. The proprietor of the club and the seconds of both men were arrested.

LEWIS BAILLY, the proprietor of the club, was held in \$5,000 bonds, and "Kid" Dorsey, who was the challenger, was held in \$10,000 bonds, pending the result of the coroner's inquest.

## WHITE, THE ENGLISH CHAMPION, HAS NOT LOST A SINGLE FIGHT

In Sixty Set-Tos Decision Has Never Been Given Against Him.

Buffalo, March 24.—Jabez White, the English lightweight champion, passed through Buffalo today on his way to San Francisco, where he is to meet Jimmy Britt for the championship. White is a wise-looking lightweight. He resembles, feature for feature, the man whom he is going to fight next month in California. He has the same high nose, the same sharply angled jaw, expressive of aggressiveness and determination; the same light eyes, eyebrows and the same thin-lipped, reserved, clean-cut mouth. Like Britt, he doesn't carry a mark or a scar to show that he has fought in the prize ring. His eyes alone are different. Where Britt's are blue as ice in the sunlight, White's are dark, almost black, like an Indian's. They are wide open, but they don't stare at you. Like Britt's, White's eyes are always moving alertly, taking in everything. He isn't nervous, but he shows a tremendous amount of suppressed energy and activity. His hands are strong and bony like Fitzsimmons'. Jabez keeps a hotel near Birmingham, the Fox and Goose. In this country it would be called a roadhouse. There is a bar of course, but he says that he seldom ever goes into

it, for he doesn't drink himself, or smoke. He has four interesting dogs and two horses. And then he has been married six years, and has "two little kiddies" to earn a living for. The simple life, with a fight thrown in now and then by way of spice, suits him—let the other fellows have their fling. "A month of dissipation takes a year from a man's life," says Jabez. And so he has never tried it.

White has not fought any big fights for two years. The last was with Sydgie Sullivan. He explains that by saying that in England "it's different from this country, you know. There they won't fight me, because they are all afraid of me. Here every light-weight wants a chance to fight the champion."

Since winning the championship his only chance to fight at all has been at the old game of meeting all-comers in the music halls. While following in the fourth and fifth rounds, he has four or five opponents in a night, but he modestly refuses to take much credit for that, "as they were second-raters."

Some sixty fights are on White's record books. A very large majority of his rivals he knocked out. Two or three lost the decision to him. He has fought twenty rounds to a draw. None of his fights have been in either boxing or prize-fighting. He has never lost a fight, and at that he has held half a dozen English championships at different weights.

## A SENIOR TEAM FOR BRANTFORD

Will Be Made Up of Local Talent, However Heavy Loss Last Year.

Toronto Telegram: Fred Westbrook, the "Kitchener of Lacrosse," warned up by the strong spring sun, awoke from his hibernating quarters in Brantford and drifted to town today. He says that Brantford will have a senior C. L. A. team, but it will be made up of home talent almost exclusively and any others that may drift in on their own hook. Westbrook is of the opinion that the day of high salaries in the C. L. A. has passed, mainly because the team cannot stand it. When he started to manage senior lacrosse three years ago the pay roll was about \$1,000. Last year the Tecumseh's \$250, and Brantford \$450, and Brantford could not stand it and cannot stand it now. He says there is sufficient home talent in Brantford to make matters lively for senior C. L. A. teams, and they will rely upon that talent. Half a dozen of the boys were good enough to play through the country, and, besides, they had a champion junior team there last year with plenty of good material now ripe for senior company.

Brantford simply had to have a team this year to meet the liabilities incurred last year, which in great part are still hanging over the club. In the past three years Brantford has lost between \$7,500 and \$8,500 in lacrosse, and it was certainly time for a halt, not only there, but in the C. L. A. Lacrosse would not pay as a professional proposition under the prevailing last season, and Brantford would not be able to do so.

## SEVENTH TEAM BADLY BEATEN

Indoor Baseball Match at the New Armories Was Very One-Sided.

The Maple Leaf indoor baseball team of Sarnia had a walkover last night in the game played at the new armories with the local team. It was expected that the Sarnia men would make a creditable showing against the visitors, but expectations were not realized. The first inning saw the score 2 to 1 in Sarnia's favor, but from then on the Maple Leaf score went up steadily. By the seventh, while that of the Seventh was not increased by more than one run in any inning save the second.

The Lions could do nothing with the delivery of McCort, the Sarnia pitcher. He not only possessed terrific speed, but he had the delivery of an indoor twirler herefrom sent in London. McCort was also given good support, and the base-hit count was kept down to the small total of five. Lack of practice is what told largely against the Seventh. The score:

R. H. E.  
Sarnia . . . 2 8 0 1 5 10 3 21 30 9  
Seventh . . . 1 2 1 1 0 0 1 0 7 5 12  
The team were:  
Sarnia—A. Carrick, catcher; G. McCort, pitcher; Pierce, right shortstop; Burns, left shortstop; Carrick, right field; Watson, first base; Nelson, second field; J. Carrick, second base; Tennant, third base.  
Seventh—Regiment—Jackson, second base; Roberts, third base; Gibson, catcher; Reid, first base; Myers, right shortstop; Birr, left shortstop; Penwarden, pitcher; Nettleship, left field; Insley, right field.

## JOCKEY FATALLY INJURED IN RACE

Bad Spill on New Orleans Track—Favorites' Day at Benning's.

New Orleans, March 24.—One of the worst accidents that has marred the history of racing in New Orleans occurred today in the second race at the fair grounds. The race was a six furlongs affair for three-year-old colts and geldings. The field of eleven was about to swing into the stretch, when Swedish Lad, running sixth, was jumped on by one of the horses behind him and his near hind leg broken. Court Crier, following, fell over Swedish Lad. Jockey McCafferty, who rode Court Crier, was thrown directly in the path of the oncoming horses. Hopeless added to the confusion by falling over Swedish Lad and Court Crier. McCafferty, only one of the jockeys hurt, was carried to a hospital. It was found that his skull was crushed in both back and front, that both arms were broken, and that he had other injuries. Death is expected at any moment. Swedish Lad was destroyed.

**FAVORITES' DAY AT BENNING'S.**  
Benning's, D. C., March 24.—It was another victory for favorites at Benning's today, the only exceptions being in the fourth and fifth races, where the horses that were close seconds in the betting took the prize. The entries in this race were eleven starters. Monte Carlo was picked to win, but Little Woods took the race easily. The favorite, Jockey McCafferty, who rode Court Crier, was thrown directly in the path of the oncoming horses. Hopeless added to the confusion by falling over Swedish Lad and Court Crier. McCafferty, only one of the jockeys hurt, was carried to a hospital. It was found that his skull was crushed in both back and front, that both arms were broken, and that he had other injuries. Death is expected at any moment. Swedish Lad was destroyed.

**PLAN OF WAR ON AMERICAN.**  
New York, March 23.—The plan of attack of the minor leagues, so far as outlined, is for the Eastern, the Western, the Pacific Coast and the American Association, together with the Southern League, if it can be enlisted into the cabal, to make war upon the American League by taking fifty players from it by offers of enormous salaries. It is not likely that the box offices of the minor leagues can supply these enormous salaries, nor is it to be supposed that players will prefer the honor of playing with Jersey City, Grand Rapids and Columbus, O., teams to playing with New York, the Chicago and St. Louis teams.

## GOT NO HELP FROM DOCTORS

AFFLICTED FOR YEARS WITH NEURALGIA, BACKACHE, AND INSOMNIA.

THOUGH MRS. HAMILTON'S CASE WAS SERIOUS, SHE WAS CURED BY

**DR. PITCHER'S BACKACHE KIDNEY TABLETS.**

As another striking evidence of the power of Dr. Pitcher's Backache Kidney Tablets to cure diseases where other remedies and even doctors' treatment have failed, we cite the case of Mrs. Andrew Hamilton, Port Robinson, Ont., who gives the story of her case as follows: "Words fail to express the big opinion I have of Dr. Pitcher's Backache Kidney Tablets. For some years I suffered from a distressing backache, which would usually begin in the fall of the year and continue until, for weeks at a time, I was completely prostrated. I frequently had headache and neuralgia pains accompanying it, and a poor appetite. My whole system seemed to become affected and my nerves so unstrung that I could not sleep. I was certainly very miserable. I tried doctor's treatment, but gave it up, as it did not help me. The various patent medicines I used likewise proved ineffectual. I happened to get hold of one of Dr. Pitcher's pamphlets, and after reading it decided to try his Backache Kidney Tablets. I am glad I did so, as they helped me from the start. After taking a few boxes I had complete immunity from pain, and the serious symptoms passed away and living was once more a comfort. I can heartily recommend Dr. Pitcher's Backache Kidney Tablets as an ideal restorative."

Dr. Pitcher's Backache Kidney Tablets are chocolate coated, small and easily taken. Fifty Tablets in a vial, five cents, or three bottles for \$1.25, at druggists or by mail. The Dr. Zina Pitcher Co., Toronto, Ont.
