Merry Sleighing Party.

A merry party of upwards of twenty young ladies and gentlemen who gathered on Saturday evening at the residence of Mr. and Mrs. A. S. Chalmers, 707 Grey street, managed to pack themselves into a bus sleigh, and started out for a spin through the city and suburbs. Whatever the temperature might have been outside, there was nothing approaching to coolness within the vehicle-there wasn't room for the cold to get in. Mirth and music were features of the enjoyable affair and after a two hours' drive, the happy crowd landed safely at the home of their genial host and hostess. Here much-appreciated refreshments were served, and a social time spent before the merry-makers

dispersed.
