A PIMPLY FACE OR POOR COMPLEXION QUICKLY RESTORED

Thousands of young men and women would be handsome and attractive were it not for unsightly pimples, blackheads and rough, uneven skin. Custom seems to recommend lotions and salves, but unfortunately their effect is but temporary. These disgusting blemishes do not originate in the skin—their birth in every case goes further back to the blood, which must be cleansed of humors before the pimples depart for good.

A physician who has made a careful study of such cases says that the quickest cure comes from a blood-building medicine like Ferrozene. The minute Ferrozene strikes the blood its good work begins. Poisons and foul matter are expelled. Every trace of humor is driven out, and the whole system is supplied with nutriment and health giving qualities. You can always tell a Ferrozene complexion when you see it—the cheeks are clear and rosy, no signs of sallowness—the eyes are bright and expressive because rich red blood is circulating through the whole system, carrying nutriment and strength with it. Not only will all skin eruptions disappear, but an increase in vital strength, an all-round improvement will be apparent. The building tonic could be more aptly called Ferrozene today—good for young and old, for wet folks and sick ones. The authorities, however, prescribe \$2.50, at all dealers, or direct by mail from The Catarrhzone Co., Kingston, Ont.

AS GOOD AS NEW.
That's the way we make that worn, old tire yours. Our vulcanizers do wonders with worn shoes and inner tubes. Doubles, often triples, the life of your tires. It's the only economical way for us for good vulcanizing than to buy new tires—especially now, when the cost of new tires mounts daily!

Measles and Flu
Keeping Doctors
In Vienna Busy

No Disorders Reported in the
Austrian Capital on
Sunday.

Vienna, Jan. 19.—Although disorders were feared Sunday, railway travel without incident. Theatres and moving picture houses were permitted to be open by the authorities, but no contractions were given only to afford the employees a basis for wage claims during the period of suspension of work. The city government has decided that railway passenger traffic will be maintained only on alternate weeks.

The action of Dr. Otto Bauer, former minister of foreign affairs, in defending Chancellor Renner, in the national assembly last night, has cleared the political atmosphere. He declared the chancellor's policy was correct, while at Prague negotiating for coal shipments, and met the charge that the government was relying on the world as a lever by replying that the government had never begged, and merely had known its position.

MIDLAND WINS.
BRADFORD, Jan. 19.—In a junior hockey game here tonight, the Midland and Bradford visitors defeated the locals by a score of 3 to 1.

DUNNVILLE, 7, WELLAND 2.
DUNNVILLE, Jan. 19.—In the second game in junior hockey, O. H. A. the local juniors played Welland of the West, and won by a score of 7 to 2. In the first and second periods all the play was in favor of the locals, but in the third period Welland came back, but the best they could do was to secure one goal, while blocking the Midland players. The Midland players played good hockey, while Ellisworth, Scott and Deves were good for the Welland youngsters.

English Promotor Says He Has Bought Carpenter's Services For Year.

NEW YORK, Jan. 19.—C. B. Cochran, the English boxing promoter, announced tonight the receipt of a cable message from M. Desamps, manager of Georges Carpenter, in support of his claim that he is the only one who can stage a world's championship bout in 1920. Cochran said he had paid \$25,000 to Desamps for the French title-holder's service this year. The message read:

"Awaiting your decision. Have entertained no other offers whatever. Will not do so until released by you." Cochran, who will sail for home next Saturday, intimated he would hold the bout in England if he could sign up Jack Dempsey.

HAVE DARK HAIR
AND LOOK YOUNG
Nobody Can Tell When You
Darken Grey, Faded Hair
With Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur Compound. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Weyth's Sage and Sulphur Compound," you will get a large bottle of this oldtime recipe, improved by the addition of other ingredients, all ready to use. A little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Weyth's Sage and Sulphur Compound now because it darkens so naturally and evenly. The reason is that there is no dye applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the grey hair has disappeared after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

CUTICURA HEALS
RASH ON CHILD
On Body and Face, Red and Itchy,
Cried For Hours, Lasted a Year.

"A rash started all over my little girl's body, and she had some on her face. It started in a pimple that was full of water, and it got red and itchy. She cried for hours. This trouble lasted a year."

"Then I started with a free sample of Cuticura Soap and Ointment. I bought more, and I used four cakes of soap and three boxes of Ointment which healed her."

(Signed) Mrs. Dora Langley, 1022 Gertrude St., Verdun, Que., August 11, 1918.

The Cuticura Toilet Trio
Consisting of Soap, Ointment and Talcum is an indispensable adjunct of the daily toilet in maintaining skin purity and skin health.

Soap 25c, Ointment 25c and 50c. Sold throughout the Dominion by Canadian Drug Companies, Limited, St. Paul St., Montreal.

Cuticura Soap chafes without burning.

INSURE BETTER BELT TRACTION
The adhesion of a belt on a Dodge Wood-Split Pulley is greater than the adhesion on a metal pulley at equal belt tension. The reason is that there is less belt slippage over the wooden surface than over the metal surface.

Then there also is less wear friction because the Dodge Wood-Split Pulley is so much lighter and so much better balanced. It may be run at high speeds without burning.
