EIGHT-HOUR DAY FOR CANADA HOTLY DISCUSSED IN HOUSE

J. S. Woodsworth Amends Report of Committee Referring Matter to Court.

R. J. WOODS OPPOSED

Progressive Member Would Have Labor Complete Day's Work For Day's Pay.

Canadian Press Despatch Ottawa. July 18.—The eight-hour day amendment was ruled out of order in the House of Commons to-

> Cttawa, July 18.—The question of establishing a Dominion eight-hourday came before the House of Commons when it resumed this morning The subject was brought up by D M. Kennedy (Progressive, Edmonto West), who moved the adoption o the final report of the committee or ndustrial and international relations which recommended a reference to the supreme court to secure an advisory judgment on the jurisdiction of the Dominion parliament and of the provincial legislature on this

> An amendment to this report was at once put forward by J. S. Woodsworth (Labor, Center winnipes, moved that the report should be re-ferred back to the committee.

ferred back to the committee.

Mr. Woodsworth reminded the House that the eight-hour-day had for many years been the object of persistent efforts on the part of organized labor. Moreover, the principle of the establishment of good working conditions had been recog-nized in the treaty of Versailles, while the subsequent conference at Washington had adopted the prin-

It would appear, said Mr. Woods-worth, that the government was not what the government bases their action with regard to a plebiscite than that everyone you meet is asking for it," he said.

court, the question was just where it was five years ago, and meanwhile many workers were employed eleven and thirteen hours a day. Canada would he recreate in her duty unless. Asked if in his opinion the time as ripe for placing before the electron was taken tion would be required.

BOYS DROWNED

Companion Reaches Shore After Two-Hour Swim From Leaky Canoe.

The three boys started from the crystal Beach wharf at 4 o'clock. When off Point Abino they continution to visit the place anxious to further the eight-hour-day in Canada. By the report, re-ferring the matter to the supreme [ast enough]. They discarded their fast enough. They discarded their clothing and the sail, and as the craft sank to its gunwales it was agreed that Gregory should swim for and thirteen hours a day. Canada would be recreant in her duty unless action was taken. No new legislation would be required.

Hon. James Murdock, minister of labor, said that the provinces would support and the cream department of labor, said that the provinces would swim for help, leaving Sweeney, the best swimmer with Buckley, who knew only the whole plant. Some time was spent in the refrigerating rooms, the packing plant, and the cream department of labor, said that the provinces would support the provinces were promised.

condition where they would not have to give a fair day's work for a fair day's pay.

Meighen Speaks.

Right Hon. Arthur Meighen said that the question of the merits of the eight-hour-day was not before parliament. This had been recognized by the Geneva convention, to which Canada was a party. It was, therefore, necessary that the government should show this country's large and taxes. The building is taxes. The building is taxes on the building is trivial. Furthermore, should the commission be unable to secure this site, a site in the immediate vicinity will be used for a sub-station and the city will be in the same position with regard to this site as on any other site.

Yours truly,

PUBLIC UTILITIES COMMISSION, E. V. Buchanan, General Manager."
