SEVEN YEARS OF
TORTUREHeadaches and Indigestion
Ended By "Fruit-a-tives"

The Marvellous Fruit Medicine

Like thousands and thousands of other sufferers, Mr. Albert Varner of Buckingham, P.Q., tried many remedies and went to doctors and specialists; but nothing did him any good.

Finally a friend advised him to try "Fruit-a-tives"—now he is well. As he says in a letter:

"For seven years, I suffered terribly from Headaches and Indigestion. I had belching gas, bitter stuff would come up in my mouth, often vomiting, and was terribly constipated. I took Fruit-a-tives and this grand fruit medicine made me well."

WE INVITE EVERY MAN AND
WOMAN IN WATFORD

Every Person in this Section Who is Weak, Rundown, Sick or Nervous to Try This
Great Medicine at Our Expense—Free Bottle Will
be Given to All Who Come Early.

All Have the Same Chance to Get Well and Strong

This is an invitation you can't afford to ignore. We'll tell you why. We are going to give you a free bottle of medicine that will tone you up and put an end to all chances of indigestion, rheumatism, constipation, catarrh and kindred ills.

The medicine of which William Bronson said, "It is the only medicine that eased my stomach and stopped the gas, wiped away stomach troubles and put strength and vitality into my blood."

A highly efficient stomach medicine made from roots, herbs, barks, leaves and a few other good things for the nerves, stomach, kidneys and bowels.

You may be starving your blood in the midst of plenty. It isn't how much you eat that counts, but it's how you digest the food you eat.

You cannot get steam out of water without fire; you can't get brain power, nerve force, and red blood corpuscles out of food without digestion.

Thousands lack sufficient vital force and don't know why. They think they need a tonic, a vacation or a change of scenery, but they don't. It's old indigestion that's the matter with them and six days of Dreco will prove it. They don't get the strength out of their food. It's like running corn through the mill with the rollers too wide apart, the corn goes through but the mill doesn't grind.

DON'T THINK YOU MUST HAVE
A PAIN TO HAVE INDIGESTION

Lack of flesh, too much fat, pimples, blotches, sallow complexion, lack of nerve force, impoverished blood, sleeplessness, headaches, backaches, sideaches, weak brain power, dizzy spells, spots floating before the eyes, may all be due to the faulty digestive process either in the stomach or the bowels.

Take Dreco with your other food for a week and find out how your digestive organs are working. If the Dreco helps you greatly, gives you more force, strength and brain power, you may set it down that your liver and bowels are not doing their duty.

Only yesterday your head may have felt dull and heavy, you had the "blues," were cross, nervous and irritable, everything seemed to go wrong and you couldn't tell why. It's ten to one it was old dyspepsia slyly getting in his work, not enough to cause you pain, but just enough to dull your brain, rob you of your vitality, upset your liver and deplete your nerve force. May be you don't think so, but try a bottle of Dreco and see if it doesn't change "blues" to a bright, cheery

red, make the old world laugh in a merry glee, and put new vigor in your life again.

Lewis A. Todd, the travelling salesman, had stomach trouble so bad he practically had to live on liquid foods. He couldn't even eat vegetables without suffering terrible pain. He took two bottles of Dreco and can now eat anything he wants and without any distress whatever—sounds like a miracle? Well, we have Mr. Todd's own signed statement to that effect.

C. L. Matlick, the B. & O. conductor, says he had rheumatism so bad that he had to use a cane to get around at all. On his fourth bottle of Dreco he said: "I am now feeling fine—have thrown away my cane." These are only two of hundreds, yes thousands.

TEST THIS MEDICINE FREE

Mr. Sufferer, have you ever heard of the wonderful medicine that talks, that really tells you itself what it can do—that's Dreco. Five minutes after you take it the medicine begins to unfold its virtues, and it will by actual demonstration, unfold to you more in regard to its merits in ten minutes than we could probably make you believe if we wrote you ten books as large as the dictionary.

"Words cannot tell you how glad we are for Dreco," declared Mrs. Treasa Copley. "The first bottle fixed me up," said Walter F. Dixon. "Am a changed man now," states Rev. Joseph L. Butler.

You may know something of these people, or know somebody who knows them. We'll send you their full addresses if you want them, so that you can find out about Dreco and the wonders it has wrought.

Probably you are now thinking whether all this can be true; stop it. Come at once to the Druggist listed below. Here you will receive absolutely free, a good-sized bottle of Dreco. This offer is open to every man and woman in this vicinity. There are no ifs, ands or buts attached to it, except that you come early before the generous supply of free bottles has been used. You don't have to buy anything if that you step in and test this wonderful medicine, and see for yourself what it can do for you. So please come as early as possible.

DR. TOLD NURSE
TO TAKE DRECO

Crippled Up By Rheumatism So She Had to Hold on to Banisters—Feet Swollen, Limbs, Ankles, Elbows Full of Pain.

Kings of 1442 Law Avenue, Evansville, Indiana.

"I have suffered greatly from rheumatism and been treated by excellent physicians, finally tried a change of climate, but always my relief was temporary. While nursing, I've had doctors pity me, saying I should be the one in bed with a nurse to attend me. My feet were so swollen and painful I could hardly keep my shoes on, my ankles and limbs were so sore and stiff I had a limp in my walk. I often had dark circles under my eyes and that tired look in them."

"Constipation was a source of great annoyance and I couldn't secure relief from it. I was often nauseated and had a reputation at the sight of food."

"To-day my feelings are entirely changed. I have taken two bottles of Dreco and I am so much better the doctor told me to keep on taking it. Every ache and pain is gone, the constipation is completely relieved. I am no longer nauseated, but eat and relish every meal. Instead of being a sore, crippled creature, limping around, I am happy, and can nurse cases to-day which I was forced to refuse before."

I give all the credit for my grand relief to Dreco, and unhesitatingly recommend it to everyone who suffers as I did." Free samples given.

SYMPTOMS OF ANAEMIA

An Inherited Tendency to Anaemia May be Overcome.

Some people have a tendency to become thin-blooded just as other have an inherited tendency to rheumatism, or to nervous disorders. The condition in which the blood becomes so thin that the whole body suffers comes on so gradually and stealthily that anyone with a natural disposition in that direction should watch the symptoms carefully. Bloodless, or anæmia, as the medical term is, can be corrected much more easily in the earlier stages than later. It begins with a tired feeling that does not overcome, the complexion becomes pale, and breathlessness on slight exertion, such as going upstairs is noticed.

Dr. Williams' Pink Pills are a home remedy that has been most successful in the treatment of diseases caused by thin blood. With pure air and wholesome food these blood-making pills afford the correct treatment when the symptoms described are noticed.

You can get these pills through any dealer in medicine or by mail, postpaid at 50c a box from The D. Williams' Medicine Co., Brockville, Ont.
