

The Weekly Monitor

ISSUED ON WEDNESDAY, At Bridgetown, Annapolis Co., N. S.

TERMS.—\$1.20 per year in advance.

WEDNESDAY, FEB. 1st, 1905

The worst storm of the season broke on Wednesday morning last and continued, with slight intermissions, until Saturday.

The D. A. B. S. Boston made her regular trip on Wednesday, but did not return until Thursday.

The country roads are still blocked in many places, and lumbering operations are suspended.

The temperature has for many years been held near the zero record through the month of December and January.

The Yarmouth Board of Trade has adopted a resolution inviting the newly formed Merchants' and Manufacturers' Association to amalgamate with it.

The people of Lunenburg want direct communication with the West Indies. They ask the Dominion Government to give an increased subsidy to the Bedford and Black boats.

The snow blockade of last week was pronounced the worst in the history of the road yesterday again at Bedford.

It is said that the army and navy disbursed over a million and a half dollars in Halifax last year.

Mr. Avaril Anderson was overtaken by the storm at Albany last week, and as the drifts became impassable for his team he was obliged to leave it there and proceed on foot for four miles and a half.

The store of Herbert Anderson, at Parker's Cove, was broken into not long since and a sum of money was stolen.

At the regular session of Court Bridgetown, D. P., this evening, the following resolution will be debated: "Resolved, that the forces of evil are making more rapid progress than the forces of good."

Mr. J. Harry Hicks has taken over the gentleman's furnishing business of Mr. A. B. Brown, an authorized last week, and his advertisement appears elsewhere.

On Wednesday a pair of horses belonging to Mr. Chas. Daniels, while attached to a sled at the railway station, took fright and ran up around the new apple warehouse.

Hon. Sydney Fisher has given notice of a resolution to amend the act respecting the packing and sale of certain commodities so as to provide as follows: "When apples are packed in Canada for export for sale by the box they shall be packed in good and strong boxes of seasoned wood, the inside dimensions of which shall not be less than ten inches in depth, eleven inches in width and twenty inches in length, representing as far as possible 2,000 cubic inches."

The progress of church union is being somewhat delayed by some of the churches being a little slow in giving their response to the matter.

Arrangements are being made for a meeting in the near future of the pastors, officers and members of the Methodist, Presbyterian and Congregational churches of the city to hear reports of delegates who attended the recent meetings of Union Committees at Toronto, and to discuss the question of union of these denominations.

Deal Finally Closed. Midland Railway Will Soon Be Transferred to D. A. B. S.

Montreal, Jan. 29.—The transfer of the Midland Railway of Nova Scotia to the Dominion Atlantic has been agreed upon after several months negotiations.

The United States government bill to regulate railway rates gives large powers to the interstate commerce commission, creates a court of commerce, and provides for appeals and penalties. If adopted, it will place an effective weapon in the hands of the commission to meet the greed of the corporations.

OBITUARY.

MRS. ROBERT INGLIS. The death occurred at her home in Montreal, on Saturday, January 22nd, of Mrs. Robert Inglis, and only daughter of Mr. and Mrs. F. C. Harris of Bridgetown.

Her illness was of several weeks' duration of typhoid fever, which she contracted while on a visit to her mother, who it was thought, was recovering from the effects of the influenza which she had contracted in Montreal. She was a devoted mother, and a very kind and generous friend.

The body was brought to Bridgetown for burial, and was accompanied by Mr. Inglis. The funeral took place on the arrival of the Halifax train yesterday, and was held at half-past four. The funeral service was held at St. James' church, and was largely attended, after which interment took place in the churchyard in England cemetery. The last request of Mrs. Inglis was that she might be laid to rest in the grave of her husband, who died in childhood, and her wish was fulfilled. The Monitor records sympathetically the bereaved family.

CARD.

To the Electors of Bridgetown.—Ladies and Gentlemen,—I have been nominated for the office of Mayor of Bridgetown for a second term without my consent, and against my expressed wish. I desire to say that if again elected I will be obliged, through the demands of my private business, to resign the office, and I respectfully request you not to vote for me. I regret that I cannot do any more in another term, but at present it seems quite impossible. Thanking you for the honor again tendered me, I remain, Yours truly, JOSEPH I. FOSTER. Jan. 31st, 1905.

No D. sageable Effects.

The disagreeable effects that frequently follow the use of medicine to break up coughs and colds deter many a person from taking them when they are of the mild nature, viz., in the incipient stages. "If only it didn't make one feel so nasty," people say. "I would use such and such a thing." All these people need to do now is to use Amor's Suits. They will find that no disagreeable effects follow its use, and that it breaks up coughs and colds quickly. Another good feature of Amor's Essence is that it is so pleasant to take.

The Baird Company's Wine of Tar Honey and Wild Cherry

A Lubricant to the Throat. A Tonic to the Vocal Chords. The Baird Co. Ltd. Gentlemen—We can always depend upon your Wine of TAR, HONEY and WILD CHERRY. It is the best and most effective cough and cold remedy. St. John, N. S. E. S. DIBBLE.

Ross Government Defeated.

Toronto, Jan. 25.—After one of the bitterest and hardest fought campaigns in the history of Ontario, the Ross Government was overwhelmingly defeated today, the Premier himself being returned by a majority of less than 100 in West Middlesex, where in 1902 he had a majority of over 600.

It was a veritable landslide, no less than five Cabinet Ministers, Messrs. Lashford, Dryden, Gibson, Charlton and Ewart, suffering defeat. The latter, however, was opposed by a Liberal.
