We Will Do Your Christmas Cooking

3,922 fruit cakes have been mellowing for months, but make haste if you want to revel in this rare cake. Eight tons of cake is by no means enough for everybody, considering our Mr Swan has made it from the same recipe that has kept Moir's Famous for fruit cake for thirty years.

Plain? Frosted? Almond coated then frosted? Almond coated frosted and decorated? Or frosted and decorated?—in 2 to 8 lb cakes. If your grocer hasn't got it, rush in your order while there is time! We also make plum pudding from a rare old recipe in 2 to 8 lb sizes.
