"MAPLE SHADE" HERDS AND FLOCKS.

BROOKLIN, ONT., Sept. 4th, 1890.

DEAR SIR,—I cannot afford to be without your "Little Sheep Dip and Cattle Wash." It is not merely useful for Sheep, but it is invaluable as a wash for Cattle, etc. It has proved the surest destroyer of lice, with which so many of our stables are infested, I have ever tried; it is also an effectual remedy for foul in the feet of Cattle. I can heartily recommend it to all farmers and breeders.

JOHN DRYDEN.

Stock Notes—Continued.

MR. CHAS. MASSIE, Port Hope, has an exceedingly fine lot of White Wyandottes on hand which, for quality and breeding, are hard to be beaten.

MR. F. J. MACKLIN, Green Valley Farm, Fenella, Ont., is a well-known poultry fancier. Among his specialties are Wyandottes and Golden Polands. A Wyandotte cock of his scored 92 at Port Hope in 1895, and was first at Cobourg this year. His mate took first both at Port Hope in 1895, and at Cobourg this year, scoring 93. The Golden Poland at the head of the breeding pen of this variety won the highest honors at Toronto in 1895, and was also a winner at Cobourg this year. Mr. Macklin is making arrangements to secure several high-class Light Brahmas from Winnipeg, which have won at the big shows in Manitoba. He is also interested in Jerseys, and is getting together a fine herd.

Did You Ever Make Money Easy?

MR. EDITOR,—I have read how Mr. C. E. B. made so much money in the Dish Washer business, and think I have beat him. I am very young yet, and have had little experience in selling goods, but have made over eight hundred dollars in ten weeks selling Dish Washers. It is simply wonderful how easy it is to sell them. All you have to do is to show the ladies how they work, and they cannot help but buy one. For the benefit of others I will state that I got my start from the Mound City Dish Washer Co., St. Louis, Mo. Write to them, and they will send you full particulars.

I think I can clear over \$3,000 the coming year, and I am not going to let the opportunity pass. Try it, and publish your success for the benefit of others.

Money Made in a Minute.

I have not made less than sixteen dollars any day while selling Centrifugal Ice Cream Freezers. Anyone should make from five to eight dollars a day selling cream, and from seven to ten dollars selling freezers, as it is such a wonder, there is always a crowd wanting cream. You can freeze cream elegantly in one minute, and that astonishes people so they all want to taste it, and then many of them buy freezers, as the cream is smooth and perfectly frozen. Every freezer is guaranteed to freeze cream perfectly in one minute. Anyone can sell ice cream, and the freezer sells itself. My sister makes from ten to fifteen dollars a day. J. F. Casey & Co., 1143 St. Charles street, St. Louis, Mo., will mail you full particulars, so you can go to work and make lots of money anywhere, as with one freezer you can make a hundred gallons of cream a day, or, if you wish, they will hire you on salary.
