## TO OUR AGENTS.

WE address these few lines to our agents to thank them for the interest they have taken in the C.B.J. during the past eight months, and for the energy which a few have already displayed in securing subscribers for us. Now that the fall fair season is here, we would like to secure a representative at each fair, one who will take subscriptions for the C. B. J. and to whom we will pay a liberal commission. We trust to receive a hearty response from all who attend these fairs. We will send sample copies free to any address our agents may send us. This will save them the trouble of carrying a large bundle of JOURNALS with them on the train, etc. All who wish to represent the C. B. J. at their own or neighboring fairs should communicate with us at once, giving dates, post office addresses, and, where possible, the names of the secretaries of the fairs they may attend. Experience is not necessary many bright young man or woman can make a nice little sum of money by representing us at their local fairs. We wish to secure at least 1500 new subscribers this fall; and to do this we ask the co-operation of all well wishers.
