

The Mason & Risch Piano is an instrument whose merit is not confined to one or a limited few, "talking points," but rather a Piano of super-excellence in its entirety. It is a STANDARD instrument in the truest sense of the word, an example of how genuinely good a Piano can be and how well it can be built:— a pattern of what choice materials and perfect workmanship will produce.

Steadily increasing sales offer the undeniable proof that the Mason & Risch Piano shows distinctive value, that its dignified OUTWARD appearance reflects the genuine, substantial quality WITHIN!
