

ing was held in Lafayette, Medina Co.,— twenty became obedient to the faith, and three Baptists united with the brethren to walk with them in love.

Another meeting of days was held in company with brother L. Cooley in Stow, where twenty one gladly received the word and were baptized and added to the church. Three others united, and the disciples were made glad in the Lord.—Brother I. Errett held a meeting in Ohio City where I have been spending one half of my time the last year. Fourteen of the hearers believed and were baptized. To the Lord be all the praise.

Yours in the Lord,

A. B. GREEN.

[Let no one confound the beloved brother who writes the preceding with the unholy Mr. Green who made his home in Brighton and in Prince Edward County, Canada West, for a time. We shall always be gratified to receive from our fellow labourer of Western Star either news or articles for all our readers as he may find opportunity to communicate with us.—D. O.]

*Newstead, N. Y., 25th March.*

BROTHER OLIPHANT :—I have not been able to travel much the past winter, but will inform you that the brethren at Williamsville have been blest the last Fall and winter by an addition of ten or more by immersion. The church at Tonawanda has enjoyed the labours of brother Moss the last winter for a number of days amidst much opposition—the result, ten won to Christ and immersed into the likeness of his death. The church at Clarence is reviving, and the brethren hold meetings and break the loaf when there is no help from abroad. Brother Stickler and family moved last Fall to the District of Columbia, near the Capital of the U. S.

Yours in love,

I. J. BROWN.

Accessions to the brotherhood in Ohio, Missouri, and other states, to the number of nearly 300 are reported in the Millennium Harbinger for April. The Christian Evangelist for the same month reports 129 additions to the Disciples.

A Methodist preacher was recently baptized by brother Sheppard of Dorchester.

Dr. Mosblech, formerly a Catholic priest, was lately immersed at Bethany, Va., and is now numbered with the Disciples.

#### THE CAUSE IN ST. JOHN.

A devoted brother in the city says—“ We are building a new meeting house and expect to move in it some time this summer. We have had six additions within a month, and everything looks well for more being added to us. Our meetings are well attended and very good attention given by the people.”
