

TO CORRESPONDENTS AND AGENTS

AGENTS please report once in two weeks. Send stamp for reply or used stamps to value.

F. L. PERSEY.—W. H. Moore & Co. have no connection with Stanley, Moore & Co., of England. We have seen S. M. & Co.'s bogus Persian Stamps. We purpose to give some facts not very creditable to some of the youthful stamp dealing fraternity of this vicinity, as soon as we enlarge our paper. Best act on the square.
