REV. MUNGO FRASER, D.D.,
Of Hamilton, Ont.—This Well-known Presbyterian Divine, Pastor of Knox Church, Hamilton, Ont., has Used Dr. Agnew's Catarrhal Powder, and Tells its Virtues.

Few ministers in the Presbyterian Church of Canada are better known than the Rev. Mungo Fraser, D.D., of Hamilton. His great talents have been over and over again recognized in the church courts. As a preacher he has few equals, and the people of Knox Church, one of the largest Presbyterian churches in Canada, believe he stands at the head of the list. He had suffered, as so many in his profession suffer, from cold in the head—a serious hindrance to those who have mental work to do. Dr. Agnew's Catarrhal Powder was brought under his notice, and over his own signature he has told of the great benefits it has conferred on him, as it does on all who use it.

One short puff of the breath through the Blower, supplied with each bottle of Dr. Agnew's Catarrhal Powder, diffuses this Powder over the surface of the nasal passages. Painless and delightful to use, it relieves in ten minutes, and permanently cures Catarrh, Hay Fever, Colds, Headache, Sore Throat, Tonsillitis and Deafness, 60 cents.

Edinburgh does not take kindly to Sunday golfing, and *The Evening Dispatch* lately opened its columns to a profuse correspondence on the subject. The great majority of the letters which we have seen are condemnatory of the Sunday golfers. One writer, a working man, marvels at the silence of the city clergy on the subject, and suggests that a public meeting should be held immediately of working men, and that a deputation should be chosen from that meeting to wait upon the Lord Provost and magistrates in connection with the matter.

THE OLD, MIDDLE-AGED AND CHILDREN
Are one and all Cured of Kidney Trouble by South American Kindey Cure.

Kidney troubles are not confined to those of any age. The grey-haired suffer, and keenly sometimes. The man in the vigor of life has his happiness marred by distressing disease of these parts. Much of the trouble of children is due to disordered kidneys. South American Kidney Cure treats effectively those of any age. And with all alike relief is secured quickly. In the most distressing cases relief comes in not less than six hours. It is a wonderful medicine for this one specific and important purpose.

MISCELLANEOUS.

In the ant-hills of South Africa there have been discovered suspension bridges passing from one gallery to another, and spanning a gulf more than six inches wide.

"I am cured since taking Hood's Sarsaparilla," is what many thousands are saying. It gives renewed vitality and vigor.

Intimation was made to Glasgow Corporation recently that the family of the late James Reid, engineer Hyde Park and Auchterarder, have decided to hand over to the city ten choice paintings, including works by Turner, Corot, Israel, Constable, and Linnell, for which Mr. Reid paid nearly £23,000. The pictures are for the benefit of citizens and all comers.

Many—alas! very, very many in our Church as well as in all others—would say to all other branches: "Stand by, for I am holier than thou." There are many who teach that the Church of England, or of Ireland, is the only true Church. Sad to say, there are very many who would willingly—ay, gladly—reunite with the bondage of Rome, but never with the fellow-branches of their own tree."

An Extended Popularity.—BROWN'S BRONCHIAL TROCHES have been before the public many years. They are pronounced universally superior to all other articles used for similar purposes. For relieving Coughs, Colds and Throat Diseases they have been proved reliable. Sold only in boxes. Price, 25 cents.

Algiers is becoming an important coaling station, many English, German, and Belgian steamers preferring it to Gibraltar and Malta as more central. Whereas in 1886 only eighty-five steamers put in for coal, there were last year 1,370, besides those which brought cargoes. Coal to the amount of 299,000 tons was imported last year, of which no fewer than 289,000 tons came from England.

A strange feature of the religion of the Chinese is the belief that they themselves can become "deities." When a devout lady died in Soochoo nothing would satisfy her friends as a reward for her merits but an apotheosis. The priests, who knew something of the extent of her wealth, discovered that the god of the little left toe nail had no wife, and to him she was married. This honor cost £1,000.

At a meeting of the city officers of the Salvation Army held lately Commandant Booth announced that he had received orders from the General to arrange his farewell from Canada after some four years' command of this wing of the army. The territorial leaders throughout the world will be changed this year almost without exception, and the farewell services in connection with the commandant's departure will take place some time in April. After receiving the announcement the officers passed a resolution warmly eulogistic of their leader and his consort, and expressing deep regret at their withdrawal. It is not yet known where their future field of labor will be.
