This Company will sell its instruments at prices ranging from \$10 to \$25 per set. These instruments are under the protection of the Company's patents, and purchasers are therefore entirely free from risk of litigation.
 This Company will arrange to connect places not having telegraphic facilities with the nearest telegraph office, or it will build private lines for firms or individuals, connecting their place of business or residences. It is also prepared to manufacture all kinds of electrical apparatus.
 Full particulars can be obtained at the Company's offices as above.
