THE CHILD'S PRESBYTERIAN, A JUVENILE MISSIONARY RECORD AND SABBATH SCHOLAR'S MAGAZINE,

THE PRESBYTERIAN CHURCH OF CANADA IN CONNECTION WITH THE CHURCH OF SCOTLAND. PROSPECTUS.

The Lay Association contemplate the publication of a Child's Paper for distribution throughout our Churches, Sabbath-Schools and families. The parties to whose care the conduct of the proposed periodical is designed to be entrusted, being themselves either Ministers or Sabbath-School teachers, deeply impressed with the importance of the work, have long felt that, while there are already many valuable periodicals which may be profitably used in Sabbath-Schools, yet a publication, presenting narratives of the Missionary operations of our own as of other branches of the Redeemer's Church, would prove of much service. They conceive that, while the young mind is so peculiarly susceptible to impressions, it is important that proper mental nutriment should be afforded it, and that the young sympathies should be enkindled and drawn towards the evangelizing efforts of our own Church, while at the same time no contracted views should be inculcated. The proposed periodical will be published at a very low rate,—at a price barely sufficient to defray the cost, unless a very large circulation be obtained. It is not designed to supplant or interfere with other like periodicals, but to occupy new ground. It is hoped that all our Sabbath-Schools will become subscribers to the extent of from 50 to 100 copies each. The sum it may cost could be defrayed out of the School-funds, or by individual subscriptions. The paper will be illustrated with woodcuts, and every effort will be made to render it attractive, useful and interesting. Clerical assistance has been obtained, and the periodical will be edited in a playful spirit, in the humble hope of doing somewhat towards obeying the Divine command of Him who said, "Suffer little children to come unto Me," and, "Feed My Lambs." A copy of this Prospectus will be addressed to every Clergyman in our Church and to other influential parties. They are earnestly requested to return the same with their orders forthwith, in order that the Association may be enabled to decide whether they will be sustained in entering upon this new effort. On the reception which our friends may give to this circular will depend whether the Association can enter upon this new effort. It is therefore trusted that those who feel interested in the spiritual well-being of the young will give

this matter their serious and friendly consideration. Price, under 25 Copies at 1s. 3d each per ann. " above " 1s. " " " "
